

“SECURING” THE BORDER TO SECURE VOTES

The Senate jammed **\$12 billion** in border security spending into the immigration reform policy bill as a cynical concession to security hawks.

CORPORATE HANDOUTS DISGUISED AS POLICY

Writes spending that normally appears in reports accompanying legislation into bill language, setting it in stone.

SWEETHEART DEALS FOR TOP GOVERNMENT CONTRACTORS

Mandates specific contractors and models, making an end-run around the competitive bidding process.
