

Space Force Budget for Fiscal Year 2024 (FY24)

1. TOPLINE \$30 BILLION

Operations & Maintenance - \$4.9 billion

Procurement - \$4.7 billion

Personnel - \$1.2 billion

Research, Development, Test & Evaluation (RDT&E) - \$19.2 billion

2. OPERATIONS & MAINTENANCE AND PERSONNEL GET LARGEST INCREASES

O&M - 22.5% increase over FY23 (enacted)

Personnel - 20% increase over FY23 (enacted)

3. LARGEST SUBCATEGORY IS RDT&E REQUEST

RDT&E is 64% of Space Force topline

Reflects transfer of responsibility from Air Force to Space Force

4. MODEST PROCUREMENT REQUEST

Procurement is slightly less than 16% of Space Force topline

Reflects major weapon systems staying under control of Air Force

5. UNFUNDED PRIORITIES LIST

\$480 million

Down from last year's UPL of \$640 million

Would raise Space Force topline to \$30.5 billion
