Section 1 – Registrant’s Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On December 23, 2008 (the “Closing Date”), as part of the Troubled Asset Relief Program Capital Purchase Program (the “Program”) of the U.S. Department of Treasury (the “Treasury”), Central Jersey Bancorp (the “Company”), the parent company of Central Jersey Bank, N.A., entered into a Letter Agreement (the “Letter Agreement”), including a Securities Purchase Agreement – Standard Terms, attached thereto (the “Securities Purchase Agreement”), with the Treasury, pursuant to which the Company issued and sold, and the Treasury purchased, (i) 11,300 shares of the Company’s Fixed Rate Cumulative Perpetual Senior Preferred Stock, Series A, having a liquidation preference of \$1,000 per share (the “Preferred Shares”), and (ii) a warrant (the “Warrant”) with a term of ten (10) years to purchase up to 268,621 of the Company’s common stock, \$0.01 par value (“Common Stock”), at an exercise price of \$6.31 per share and subject to anti-dilution adjustments, for an aggregate purchase price of \$11.3 million. The Company intends to utilize the proceeds for general corporate purposes and to enhance lending operations. Both the Preferred Shares and the Warrant qualify as components of the Company’s regulatory Tier 1 capital. The additional Tier 1 capital further fortifies the Company’s already strong capital position and allows the Company to continue to ensure that it meets the credit needs of the communities it serves.

Cumulative dividends on the Preferred Shares will accrue on the liquidation preference at a rate of 5% per annum for the first five (5) years, and at a rate of 9% per annum thereafter, but will be paid only if, as and when declared by the Company’s Board of Directors. The Preferred Shares have no maturity date and rank senior to the Common Stock with respect to the payment of dividends and distributions and amounts payable upon liquidation, dissolution and winding-up of the Company. Subject to the approval of the Board of Governors of the Federal Reserve System, the Preferred Shares are redeemable at the option of the Company on or after the first dividend payment date falling on or after the third (3rd) anniversary of the Closing Date (the “Redeemable Date”) at 100% of the liquidation amount per share, plus any accrued and unpaid dividends. The Preferred Shares may be redeemed prior to the Redeemable Date only if (i) the Company has raised aggregate gross proceeds in one or more Qualified Equity Offerings (defined below) in excess of \$2.825 million, and (ii) the aggregate redemption price of the Preferred Shares to be redeemed does not exceed the aggregate net proceeds from such Qualified Equity Offerings. “Qualified Equity Offering” is defined as the sale for cash by the Company after the Closing Date of shares of preferred stock or Common Stock that qualifies as Tier I capital of the Company under the capital guidelines of the Company’s federal banking agency or such other qualifying Tier 1 capital.

As stated above, the Warrant has a term of ten (10) years and is immediately exercisable. Unless both the holder of the Warrant and the Company agree otherwise, the exercise of the Warrant will be a cashless exercise. The Treasury may not transfer a portion or portions of the Warrant with respect to, and/or exercise the Warrant for more than one-half of, the 268,621 shares of Common Stock issuable upon the exercise of the Warrant, in the aggregate, until the earlier of (i) the date on which the Company has received aggregate gross proceeds of not less than \$2.825 million from one or more Qualified Equity Offerings and (ii) December 31, 2009. In the event the Company completes one or more Qualified Equity Offerings on or prior to

December 31, 2009 that result in the Company receiving aggregate gross proceeds of not less than \$2.825 million, the number of the shares of Common Stock underlying the portion of the Warrant then held by the Treasury will be reduced by one-half of the shares of Common Stock originally covered by the Warrant. In addition, pursuant to the Securities Purchase Agreement, the Treasury has agreed not to exercise voting power with respect to any shares of Common Stock issued upon the exercise of the Warrant.

The Company has agreed to prepare and file with the Securities and Exchange Commission a registration statement covering the Preferred Shares and the shares of Common Stock underlying the Warrant (the “Registrable Securities”) as promptly as practicable after the Closing Date, but in any event no later than thirty (30) days after the Closing Date. The Company has also agreed to use its reasonable best efforts to cause such registration statement to be declared or become effective and to keep such registration statement continuously effective and in compliance with the Securities Act of 1933, as amended (the “Securities Act”), and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining.

The Securities Purchase Agreement, pursuant to which the Preferred Shares and the Warrant were sold, contains limitations on the payment of cash dividends on the Common Stock and on the Company’s ability to repurchase its Common Stock and subjects the Company to certain of the executive compensation limitations included in the Emergency Economic Stabilization Act of 2008 (the “EESA”). As a condition to the closing of the transaction, each of Messrs. James S. Vaccaro, Chairman, President and Chief Executive Officer, Robert S. Vuono, Senior Executive Vice President, Chief Operating Officer and Secretary, and Anthony Giordano, III, Executive Vice President, Chief Financial Officer, Treasurer and Assistant Secretary (the “Senior Executive Officers”), (i) executed a waiver (the “Waiver”) voluntarily waiving any claim against the Treasury or the Company for any changes to such Senior Executive Officer’s compensation or benefits that are required to comply with the regulations issued by the Treasury under the Program and acknowledging that the regulations may require modification of the compensation, bonus, incentive and other benefit plans, arrangements and policies and agreements (collectively, “Benefit Plans”) as they relate to the period the Treasury holds any equity or debt securities of the Company acquired through the Program; and (ii) entered into a senior executive officer agreement (each a “Senior Executive Officer Agreement”) with the Company amending the Benefit Plans with respect to such Senior Executive Officer as may be necessary, during the period that the Treasury owns any debt or equity securities of the Company acquired pursuant to the Securities Purchase Agreement or the Warrant, to comply with Section 111(b) of the EESA.

The Securities Purchase Agreement and all related documents may be amended unilaterally by the Treasury to the extent required to comply with any changes in applicable federal statutes after the execution thereof.

A copy of the Letter Agreement, including the Securities Purchase Agreement, has been attached hereto as Exhibit 10.1, a copy of the Warrant has been attached hereto as Exhibit 4.2, copies of the Waivers executed by the Senior Executive Officers have been attached hereto as Exhibit 10.2 through Exhibit 10.4, respectively, and copies of the Senior Executive Officer Agreements executed by the Senior Executive Officers have been attached hereto as Exhibit 10.5

Holders of Designated Preferred Stock shall be entitled to receive, on each share of Designated Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of Designated Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of Designated Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (i.e., no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a “Dividend Period”, provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Designated Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Designated Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Designated Preferred Stock on any Dividend Payment Date will be payable to holders of record of Designated Preferred Stock as they appear on the stock register of the Corporation on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a “Dividend Record Date”). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of Designated Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on Designated Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of Designated Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of Designated Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (ii) purchases or other acquisitions by a broker-dealer subsidiary of the Corporation solely for the purpose of market-making, stabilization or customer facilitation transactions in Junior Stock or Parity Stock in the ordinary course of its business; (iii) purchases by a broker-dealer subsidiary of the Corporation of capital stock of the Corporation for resale pursuant to an offering by the Corporation of such capital stock underwritten by such broker-dealer subsidiary; (iv) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (v) the acquisition by the Corporation or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (vi) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Corporation's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon Designated Preferred Stock and any shares of Parity Stock, all dividends declared on Designated Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling

within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of Designated Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Corporation will provide written notice to the holders of Designated Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of Designated Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation Rights.

(a) Voluntary or Involuntary Liquidation. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, holders of Designated Preferred Stock shall be entitled to receive for each share of Designated Preferred Stock, out of the assets of the Corporation or proceeds thereof (whether capital or surplus) available for distribution to stockholders of the Corporation, subject to the rights of any creditors of the Corporation, before any distribution of such assets or proceeds is made to or set aside for the holders of Common Stock and any other stock of the Corporation ranking junior to Designated Preferred Stock as to such distribution, payment in full in an amount equal to the sum of (i) the Liquidation Amount per share and (ii) the amount of any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount), whether or not declared, to the date of payment (such amounts collectively, the “Liquidation Preference”).

(b) Partial Payment. If in any distribution described in Section 4(a) above the assets of the Corporation or proceeds thereof are not sufficient to pay in full the amounts payable with respect to all outstanding shares of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution, holders of Designated Preferred Stock and the holders of such other stock shall share ratably in any such distribution in proportion to the full respective distributions to which they are entitled.

(c) Residual Distributions. If the Liquidation Preference has been paid in full to all holders of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such

distribution has been paid in full, the holders of other stock of the Corporation shall be entitled to receive all remaining assets of the Corporation (or proceeds thereof) according to their respective rights and preferences.

(d) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 4, the merger or consolidation of the Corporation with any other corporation or other entity, including a merger or consolidation in which the holders of Designated Preferred Stock receive cash, securities or other property for their shares, or the sale, lease or exchange (for cash, securities or other property) of all or substantially all of the assets of the Corporation, shall not constitute a liquidation, dissolution or winding up of the Corporation.

Section 5. Redemption.

(a) Optional Redemption. Except as provided below, the Designated Preferred Stock may not be redeemed prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date. On or after the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption.

Notwithstanding the foregoing, prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption; *provided* that (x) the Corporation (or any successor by Business Combination) has received aggregate gross proceeds of not less than the Minimum Amount (plus the “Minimum Amount” as defined in the relevant certificate of designations for each other outstanding series of preferred stock of such successor that was originally issued to the United States Department of the Treasury (the “Successor Preferred Stock”) in connection with the Troubled Asset Relief Program Capital Purchase Program) from one or more Qualified Equity Offerings (including Qualified Equity Offerings of such successor), and (y) the aggregate redemption price of the Designated Preferred Stock (and any Successor Preferred Stock) redeemed pursuant to this paragraph may not exceed the aggregate net cash proceeds received by the Corporation (or any successor by Business Combination) from such Qualified Equity Offerings (including Qualified Equity Offerings of such successor).

The redemption price for any shares of Designated Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing

such shares to the Corporation or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Designated Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Designated Preferred Stock will have no right to require redemption or repurchase of any shares of Designated Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of Designated Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Corporation. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Designated Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Designated Preferred Stock. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of Designated Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of Designated Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price.

(d) Partial Redemption. In case of any redemption of part of the shares of Designated Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of Designated Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Corporation, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed

outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Corporation, after which time the holders of the shares so called for redemption shall look only to the Corporation for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of Designated Preferred Stock that are redeemed, repurchased or otherwise acquired by the Corporation shall revert to authorized but unissued shares of Preferred Stock (*provided* that any such cancelled shares of Designated Preferred Stock may be reissued only as shares of any series of Preferred Stock other than Designated Preferred Stock).

Section 6. Conversion. Holders of Designated Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of Designated Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of Designated Preferred Stock have not been paid for an aggregate of six quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Corporation shall automatically be increased by two and the holders of the Designated Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect two directors (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Corporation's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Designated Preferred Stock, except as herein or by law expressly provided, subject to reverting in the event of each and every subsequent default of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Corporation to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Corporation may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of Designated Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of Designated Preferred Stock at the time

outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of Designated Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of Designated Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior Stock. Any amendment or alteration of the Certificate of Designations for the Designated Preferred Stock or the Charter to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Corporation ranking senior to Designated Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Corporation;

(ii) Amendment of Designated Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Designated Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Designated Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Designated Preferred Stock, or of a merger or consolidation of the Corporation with another corporation or other entity, unless in each case (x) the shares of Designated Preferred Stock remain outstanding or, in the case of any such merger or consolidation with respect to which the Corporation is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Designated Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of Designated Preferred Stock necessary to satisfy preemptive or similar rights granted by the Corporation to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of

any other series of Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of Preferred Stock, ranking equally with and/or junior to Designated Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Corporation will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Designated Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of Designated Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Designated Preferred Stock shall have been redeemed, or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of Designated Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Designated Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Corporation and the transfer agent for Designated Preferred Stock may deem and treat the record holder of any share of Designated Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of Designated Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any similar facility, such notices may be given to the holders of Designated Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No share of Designated Preferred Stock shall have any rights of preemption whatsoever as to any securities of the Corporation, or any warrants, rights or options issued or granted with respect thereto, regardless of how such securities, or such warrants, rights or options, may be designated, issued or granted.

Section 11. Replacement Certificates. The Corporation shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Corporation. The Corporation shall replace certificates that become destroyed, stolen or lost at the holder's

expense upon delivery to the Corporation of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Corporation.

Section 12. Other Rights. The shares of Designated Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Charter or as provided by applicable law.”

3. The Amended and Restated Certificate of Incorporation of the Corporation is hereby amended so that the designation and number of shares of the Fixed Rate Cumulative Perpetual Senior Preferred Stock – Series A, par value \$0.01 per share, acted upon in the resolutions set forth in Section 2 hereof, and the relative rights, preferences and limitations of such shares, are as stated in the above resolutions.

1. Definitions. Unless the context otherwise requires, when used herein the following terms shall have the meanings indicated.

“*Affiliate*” has the meaning ascribed to it in the Purchase Agreement.

“*Appraisal Procedure*” means a procedure whereby two independent appraisers, one chosen by the Company and one by the Original Warrantholder, shall mutually agree upon the determinations then the subject of appraisal. Each party shall deliver a notice to the other appointing its appraiser within 15 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the amount in question, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the remaining two determinations shall be averaged and such average shall be binding and conclusive upon the

Company and the Original Warrantholder; otherwise, the average of all three determinations shall be binding upon the Company and the Original Warrantholder. The costs of conducting any Appraisal Procedure shall be borne by the Company.

“*Board of Directors*” means the board of directors of the Company, including any duly authorized committee thereof.

“*Business Combination*” means a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company’s stockholders.

“*Expiration Time*” has the meaning set forth in Section 3.

“*Fair Market Value*” means, with respect to any security or other property, the fair market value of such security or other property as determined by the Board of Directors, acting in good faith or, with respect to Section 14, as determined by the Original Warrantholder acting in good faith. For so long as the Original Warrantholder holds this Warrant or any portion thereof, it may object in writing to the Board of Director’s calculation of fair market value within 10 days of receipt of written notice thereof. If the Original Warrantholder and the Company are unable to agree on fair market value during the 10-day period following the delivery of the Original Warrantholder’s objection, the Appraisal Procedure may be invoked by either party to

determine Fair Market Value by delivering written notification thereof not later than the 30th day after delivery of the Original Warrantholder's objection.

2. Number of Shares; Exercise Price. This certifies that, for value received, the United States Department of the Treasury or its permitted assigns (the “Warrantholder”) is entitled, upon the terms and subject to the conditions hereinafter set forth, to acquire from the Company, in whole or in part, after the receipt of all applicable Regulatory Approvals, if any, up to an aggregate of the number of fully paid and nonassessable shares of Common Stock set forth in Item 6 of Schedule A hereto, at a purchase price per share of Common Stock equal to the Exercise Price. The number of shares of Common Stock (the “Shares”) and the Exercise Price are subject to adjustment as provided herein, and all references to “Common Stock,” “Shares” and “Exercise Price” herein shall be deemed to include any such adjustment or series of adjustments.

3. Exercise of Warrant; Term. Subject to Section 2, to the extent permitted by applicable laws and regulations, the right to purchase the Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time after the execution and delivery of this Warrant by the Company on the date hereof, but in no event later than 5:00 p.m., New York City time on the tenth anniversary of the Issue Date (the “Expiration Time”), by (A) the surrender of this Warrant and Notice of Exercise annexed hereto, duly completed and executed on behalf of the Warrantholder, at the principal executive office of the Company located at the address set forth in Item 7 of Schedule A hereto (or such other office or agency of the Company in the United States as it may designate by notice in writing to the Warrantholder at the address of the Warrantholder appearing on the books of the Company), and (B) payment of the Exercise Price for the Shares thereby purchased:

(i) by having the Company withhold, from the shares of Common Stock that would otherwise be delivered to the Warrantholder upon such exercise, shares of Common stock issuable upon exercise of the Warrant equal in value to the aggregate Exercise Price as to which this Warrant is so exercised based on the Market Price of the Common Stock on the trading day on which this Warrant is exercised and the Notice of Exercise is delivered to the Company pursuant to this Section 3, or

(ii) with the consent of both the Company and the Warrantholder, by tendering in cash, by certified or cashier’s check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company.

If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder will be entitled to receive from the Company within a reasonable time, and in any event not exceeding three business days, a new warrant in substantially identical form for the purchase of that number of Shares equal to the difference between the number of Shares subject to this Warrant and the number of Shares as to which this Warrant is so exercised. Notwithstanding anything in this Warrant to the contrary, the Warrantholder hereby acknowledges and agrees that its exercise of this Warrant for Shares is subject to the condition that the Warrantholder will have first received any applicable Regulatory Approvals.

4. Issuance of Shares; Authorization; Listing. Certificates for Shares issued upon exercise of this Warrant will be issued in such name or names as the Warrantholder may designate and will be delivered to such named Person or Persons within a reasonable time, not to exceed three business days after the date on which this Warrant has been duly exercised in accordance with the terms of this Warrant. The Company hereby represents and warrants that any Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be duly and validly authorized and issued, fully paid and nonassessable and free from all taxes, liens and charges (other than liens or charges created by the Warrantholder, income and franchise taxes incurred in connection with the exercise of the Warrant or taxes in respect of any transfer occurring contemporaneously therewith). The Company agrees that the Shares so issued will be deemed to have been issued to the Warrantholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed or certificates representing such Shares may not be actually delivered on such date. The Company will at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of providing for the exercise of this Warrant, the aggregate number of shares of Common Stock then issuable upon exercise of this Warrant at any time. The Company will (A) procure, at its sole expense, the listing of the Shares issuable upon exercise of this Warrant at any time, subject to issuance or notice of issuance, on all principal stock exchanges on which the Common Stock is then listed or traded and (B) maintain such listings of such Shares at all times after issuance. The Company will use reasonable best efforts to ensure that the Shares may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Shares are listed or traded.

5. No Fractional Shares or Scrip. No fractional Shares or scrip representing fractional Shares shall be issued upon any exercise of this Warrant. In lieu of any fractional Share to which the Warrantholder would otherwise be entitled, the Warrantholder shall be entitled to receive a cash payment equal to the Market Price of the Common Stock on the last trading day preceding the date of exercise less the pro-rated Exercise Price for such fractional share.

6. No Rights as Stockholders; Transfer Books. This Warrant does not entitle the Warrantholder to any voting rights or other rights as a stockholder of the Company prior to the date of exercise hereof. The Company will at no time close its transfer books against transfer of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. Charges, Taxes and Expenses. Issuance of certificates for Shares to the Warrantholder upon the exercise of this Warrant shall be made without charge to the Warrantholder for any issue or transfer tax or other incidental expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company.

8. Transfer/Assignment.

(A) Subject to compliance with clause (B) of this Section 8, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by duly authorized attorney, and a new warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the office or agency of the Company described in Section 3. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new warrants pursuant to this Section 8 shall be paid by the Company.

(B) The transfer of the Warrant and the Shares issued upon exercise of the Warrant are subject to the restrictions set forth in Section 4.4 of the Purchase Agreement. If and for so long as required by the Purchase Agreement, this Warrant shall contain the legends as set forth in Sections 4.2(a) and 4.2(b) of the Purchase Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, upon the surrender hereof by the Warrantholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same aggregate number of Shares. The Company shall maintain a registry showing the name and address of the Warrantholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise in accordance with its terms, at the office of the Company, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and in the case of any such loss, theft or destruction, upon receipt of a bond, indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company shall make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the same aggregate number of Shares as provided for in such lost, stolen, destroyed or mutilated Warrant.

11. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a business day, then such action may be taken or such right may be exercised on the next succeeding day that is a business day.

12. Rule 144 Information. The Company covenants that it will use its reasonable best efforts to timely file all reports and other documents required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any

Warrantholder, make publicly available such information as necessary to permit sales pursuant to Rule 144 under the Securities Act), and it will use reasonable best efforts to take such further action as any Warrantholder may reasonably request, in each case to the extent required from time to time to enable such holder to, if permitted by the terms of this Warrant and the Purchase Agreement, sell this Warrant without registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (B) any successor rule or regulation hereafter adopted by the SEC. Upon the written request of any Warrantholder, the Company will deliver to such Warrantholder a written statement that it has complied with such requirements.

13. Adjustments and Other Rights. The Exercise Price and the number of Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; *provided*, that if more than one subsection of this Section 13 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 13 so as to result in duplication:

(A) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare and pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (ii) subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be proportionately adjusted so that the Warrantholder after such date shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be adjusted to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, subdivision, combination or reclassification giving rise to this adjustment by (y) the new number of Shares issuable upon exercise of the Warrant determined pursuant to the immediately preceding sentence.

(B) Certain Issuances of Common Shares or Convertible Securities. Until the earlier of (i) the date on which the Original Warrantholder no longer holds this Warrant or any portion thereof and (ii) the third anniversary of the Issue Date, if the Company shall issue shares of Common Stock (or rights or warrants or other securities exercisable or convertible into or exchangeable (collectively, a “conversion”) for shares of Common Stock) (collectively, “convertible securities”) (other than in Permitted Transactions (as defined below) or a transaction to which subsection (A) of this Section 13 is applicable) without consideration or at a consideration per share (or having a conversion price per share) that is less than 90% of the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities) then, in such event:

(A) the number of Shares issuable upon the exercise of this Warrant immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) (the “*Initial Number*”) shall be increased to the number obtained by multiplying the Initial Number by a fraction (A) the numerator of which shall be the sum of (x) the number of shares of Common Stock of the Company outstanding on such date and (y) the number of additional shares of Common Stock issued (or into which convertible securities may be exercised or convert) and (B) the denominator of which shall be the sum of (I) the number of shares of Common Stock outstanding on such date and (II) the number of shares of Common Stock which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into which convertible securities may be exercised or convert) would purchase at the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities); and

(B) the Exercise Price payable upon exercise of the Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant prior to such date and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant immediately after the adjustment described in clause (A) above.

For purposes of the foregoing, the aggregate consideration receivable by the Company in connection with the issuance of such shares of Common Stock or convertible securities shall be deemed to be equal to the sum of the net offering price (including the Fair Market Value of any non-cash consideration and after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon exercise or conversion of any such convertible securities into shares of Common Stock; and “*Permitted Transactions*” shall mean issuances (i) as consideration for or to fund the acquisition of businesses and/or related assets, (ii) in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by the Board of Directors, (iii) in connection with a public or broadly marketed offering and sale of Common Stock or convertible securities for cash conducted by the Company or its affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital raising transactions by comparable financial institutions and (iv) in connection with the exercise of preemptive rights on terms existing as of the Issue Date. Any adjustment made pursuant to this Section 13(B) shall become effective immediately upon the date of such issuance.

(C) Other Distributions. In case the Company shall fix a record date for the making of a distribution to all holders of shares of its Common Stock of securities, evidences of indebtedness, assets, cash, rights or warrants (excluding Ordinary Cash Dividends, dividends of its Common Stock and other dividends or distributions referred to in Section 13(A)), in each such case, the Exercise Price in effect prior to such record date shall be reduced immediately thereafter to the price determined by multiplying the Exercise Price in effect immediately prior to the reduction by the quotient of (x) the Market Price of the Common Stock on the last trading day preceding the first date on which the Common Stock trades regular way on the principal

national securities exchange on which the Common Stock is listed or admitted to trading without the right to receive such distribution, minus the amount of cash and/or the Fair Market Value of the securities, evidences of indebtedness, assets, rights or warrants to be so distributed in respect of one share of Common Stock (such amount and/or Fair Market Value, the “*Per Share Fair Market Value*”) divided by (y) such Market Price on such date specified in clause (x); such adjustment shall be made successively whenever such a record date is fixed. In such event, the number of Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. In the case of adjustment for a cash dividend that is, or is coincident with, a regular quarterly cash dividend, the Per Share Fair Market Value would be reduced by the per share amount of the portion of the cash dividend that would constitute an Ordinary Cash Dividend. In the event that such distribution is not so made, the Exercise Price and the number of Shares issuable upon exercise of this Warrant then in effect shall be readjusted, effective as of the date when the Board of Directors determines not to distribute such shares, evidences of indebtedness, assets, rights, cash or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Shares that would then be issuable upon exercise of this Warrant if such record date had not been fixed.

(D) Certain Repurchases of Common Stock. In case the Company effects a Pro Rata Repurchase of Common Stock, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the Effective Date of such Pro Rata Repurchase by a fraction of which the numerator shall be (i) the product of (x) the number of shares of Common Stock outstanding immediately before such Pro Rata Repurchase and (y) the Market Price of a share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase, minus (ii) the aggregate purchase price of the Pro Rata Repurchase, and of which the denominator shall be the product of (i) the number of shares of Common Stock outstanding immediately prior to such Pro Rata Repurchase minus the number of shares of Common Stock so repurchased and (ii) the Market Price per share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase. In such event, the number of shares of Common Stock issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the Pro Rata Repurchase giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 13(D).

(E) Business Combinations. In case of any Business Combination or reclassification of Common Stock (other than a reclassification of Common Stock referred to in Section 13(A)), the Warrantholder’s right to receive Shares upon exercise of this Warrant shall be converted into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) which the Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such

Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Warrantholder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Warrantholder's right to exercise this Warrant in exchange for any shares of stock or other securities or property pursuant to this paragraph. In determining the kind and amount of stock, securities or the property receivable upon exercise of this Warrant following the consummation of such Business Combination, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the consideration that the Warrantholder shall be entitled to receive upon exercise shall be deemed to be the types and amounts of consideration received by the majority of all holders of the shares of common stock that affirmatively make an election (or of all such holders if none make an election).

(F) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 13 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 13 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or 1/10th of a share of Common Stock, or more.

(G) Timing of Issuance of Additional Common Stock Upon Certain Adjustments. In any case in which the provisions of this Section 13 shall require that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Warrantholder of this Warrant exercised after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such exercise by reason of the adjustment required by such event over and above the shares of Common Stock issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional share of Common Stock; *provided, however*, that the Company upon request shall deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder's right to receive such additional shares, and such cash, upon the occurrence of the event requiring such adjustment.

(H) Completion of Qualified Equity Offering. In the event the Company (or any successor by Business Combination) completes one or more Qualified Equity Offerings on or prior to December 31, 2009 that result in the Company (or any such successor) receiving aggregate gross proceeds of not less than 100% of the aggregate liquidation preference of the Preferred Shares (and any preferred stock issued by any such successor to the Original Warrantholder under the CPP), the number of shares of Common Stock underlying the portion of this Warrant then held by the Original Warrantholder shall be thereafter reduced by a number of shares of Common Stock equal to the product of (i) 0.5 and (ii) the number of shares underlying

the Warrant on the Issue Date (adjusted to take into account all other theretofore made adjustments pursuant to this Section 13).

(I) Other Events. For so long as the Original Warrantholder holds this Warrant or any portion thereof, if any event occurs as to which the provisions of this Section 13 are not strictly applicable or, if strictly applicable, would not, in the good faith judgment of the Board of Directors of the Company, fairly and adequately protect the purchase rights of the Warrants in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make such adjustments in the application of such provisions, in accordance with such essential intent and principles, as shall be reasonably necessary, in the good faith opinion of the Board of Directors, to protect such purchase rights as aforesaid. The Exercise Price or the number of Shares into which this Warrant is exercisable shall not be adjusted in the event of a change in the par value of the Common Stock or a change in the jurisdiction of incorporation of the Company.

(J) Statement Regarding Adjustments. Whenever the Exercise Price or the number of Shares into which this Warrant is exercisable shall be adjusted as provided in Section 13, the Company shall forthwith file at the principal office of the Company a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Shares into which this Warrant shall be exercisable after such adjustment, and the Company shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each Warrantholder at the address appearing in the Company's records.

(K) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 13 (but only if the action of the type described in this Section 13 would result in an adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall give notice to the Warrantholder, in the manner set forth in Section 13(J), which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least 10 days prior to the date so fixed, and in case of all other action, such notice shall be given at least 15 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action.

(L) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 13, the Company shall take any action which may be necessary, including obtaining regulatory, New York Stock Exchange, NASDAQ Stock Market or other applicable national securities exchange or stockholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common Stock that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 13.

(M) Adjustment Rules. Any adjustments pursuant to this Section 13 shall be made successively whenever an event referred to herein shall occur. If an adjustment in Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

14. Exchange. At any time following the date on which the shares of Common Stock of the Company are no longer listed or admitted to trading on a national securities exchange (other than in connection with any Business Combination), the Original Warrantholder may cause the Company to exchange all or a portion of this Warrant for an economic interest (to be determined by the Original Warrantholder after consultation with the Company) of the Company classified as permanent equity under U.S. GAAP having a value equal to the Fair Market Value of the portion of the Warrant so exchanged. The Original Warrantholder shall calculate any Fair Market Value required to be calculated pursuant to this Section 14, which shall not be subject to the Appraisal Procedure.

15. No Impairment. The Company will not, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder.

16. Governing Law. **This Warrant will be governed by and construed in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the Company and the Warrantholder agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any civil action, suit or proceeding arising out of or relating to this Warrant or the transactions contemplated hereby, and (b) that notice may be served upon the Company at the address in Section 20 below and upon the Warrantholder at the address for the Warrantholder set forth in the registry maintained by the Company pursuant to Section 9 hereof. To the extent permitted by applicable law, each of the Company and the Warrantholder hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to the Warrant or the transactions contemplated hereby or thereby.**

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants and agreements set forth herein, the parties agree as follows:

Article I

Purchase; Closing

1.1 Purchase. On the terms and subject to the conditions set forth in this Agreement, the Company agrees to sell to the Investor, and the Investor agrees to purchase from the Company, at the Closing (as hereinafter defined), the Purchased Securities for the price set forth on Schedule A (the “*Purchase Price*”).

1.2 Closing.

(a) On the terms and subject to the conditions set forth in this Agreement, the closing of the Purchase (the “*Closing*”) will take place at the location specified in Schedule A, at the time and on the date set forth in Schedule A or as soon as practicable thereafter, or at such other place, time and date as shall be agreed between the Company and the Investor. The time and date on which the Closing occurs is referred to in this Agreement as the “*Closing Date*”.

(b) Subject to the fulfillment or waiver of the conditions to the Closing in this Section 1.2, at the Closing the Company will deliver the Preferred Shares and the Warrant, in each case as evidenced by one or more certificates dated the Closing Date and bearing appropriate legends as hereinafter provided for, in exchange for payment in full of the Purchase Price by wire transfer of immediately available United States funds to a bank account designated by the Company on Schedule A.

(c) The respective obligations of each of the Investor and the Company to consummate the Purchase are subject to the fulfillment (or waiver by the Investor and the Company, as applicable) prior to the Closing of the conditions that (i) any approvals or authorizations of all United States and other governmental, regulatory or judicial authorities (collectively, “*Governmental Entities*”) required for the consummation of the Purchase shall have been obtained or made in form and substance reasonably satisfactory to each party and shall be in full force and effect and all waiting periods required by United States and other applicable law, if any, shall have expired and (ii) no provision of any applicable United States or other law and no judgment, injunction, order or decree of any Governmental Entity shall prohibit the purchase and sale of the Purchased Securities as contemplated by this Agreement.

(d) The obligation of the Investor to consummate the Purchase is also subject to the fulfillment (or waiver by the Investor) at or prior to the Closing of each of the following conditions:

(i) (A) the representations and warranties of the Company set forth in (x) Section 2.2(g) of this Agreement shall be true and correct in all respects as though made on and as of the Closing Date, (y) Sections 2.2(a) through (f) shall be true and correct in all material respects as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct in all material respects as of such other date) and (z) Sections 2.2(h) through (v) (disregarding all qualifications or limitations set forth in such representations and warranties as to “materiality”, “Company Material Adverse Effect” and words of similar import) shall be true and correct as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct as of such other date), except to the extent that the failure of such representations and warranties referred to in this Section 1.2(d)(i)(A)(z) to be so true and correct, individually or in the aggregate, does not have and would not reasonably be expected to have a Company Material Adverse Effect and (B) the Company shall have

performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing;

(ii) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the conditions set forth in Section 1.2(d)(i) have been satisfied;

(iii) the Company shall have duly adopted and filed with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity the amendment to its certificate or articles of incorporation, articles of association, or similar organizational document ("*Charter*") in substantially the form attached hereto as Annex A (the "*Certificate of Designations*") and such filing shall have been accepted;

(iv) (A) the Company shall have effected such changes to its compensation, bonus, incentive and other benefit plans, arrangements and agreements (including golden parachute, severance and employment agreements) (collectively, "*Benefit Plans*") with respect to its Senior Executive Officers (and to the extent necessary for such changes to be legally enforceable, each of its Senior Executive Officers shall have duly consented in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with Section 111(b) of the Emergency Economic Stabilization Act of 2008 ("*EESA*") as implemented by guidance or regulation thereunder that has been issued and is in effect as of the Closing Date, and (B) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the condition set forth in Section 1.2(d)(iv)(A) has been satisfied;

(v) each of the Company's Senior Executive Officers shall have delivered to the Investor a written waiver in the form attached hereto as Annex B releasing the Investor from any claims that such Senior Executive Officers may otherwise have as a result of the issuance, on or prior to the Closing Date, of any regulations which require the modification of, and the agreement of the Company hereunder to modify, the terms of any Benefit Plans with respect to its Senior Executive Officers to eliminate any provisions of such Benefit Plans that would not be in compliance with the requirements of Section 111(b) of the EESA as implemented by guidance or regulation thereunder that has been issued and is in effect as of the Closing Date;

(vi) the Company shall have delivered to the Investor a written opinion from counsel to the Company (which may be internal counsel), addressed to the Investor and dated as of the Closing Date, in substantially the form attached hereto as Annex C;

(vii) the Company shall have delivered certificates in proper form or, with the prior consent of the Investor, evidence of shares in book-entry form, evidencing the Preferred Shares to Investor or its designee(s); and

(viii) the Company shall have duly executed the Warrant in substantially the form attached hereto as Annex D and delivered such executed Warrant to the Investor or its designee(s).

1.3 Interpretation. When a reference is made in this Agreement to “Recitals,” “Articles,” “Sections,” or “Annexes” such reference shall be to a Recital, Article or Section of, or Annex to, this Securities Purchase Agreement — Standard Terms, and a reference to “Schedules” shall be to a Schedule to the Letter Agreement, in each case, unless otherwise indicated. The terms defined in the singular have a comparable meaning when used in the plural, and vice versa. References to “herein”, “hereof”, “hereunder” and the like refer to this Agreement as a whole and not to any particular section or provision, unless the context requires otherwise. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed followed by the words “without limitation.” No rule of construction against the draftsperson shall be applied in connection with the interpretation or enforcement of this Agreement, as this Agreement is the product of negotiation between sophisticated parties advised by counsel. All references to “\$” or “dollars” mean the lawful currency of the United States of America. Except as expressly stated in this Agreement, all references to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule or regulation include any successor to the section. References to a “business day” shall mean any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

Article II Representations and Warranties

2.1 Disclosure.

(a) “*Company Material Adverse Effect*” means a material adverse effect on (i) the business, results of operation or financial condition of the Company and its consolidated subsidiaries taken as a whole; *provided, however*, that Company Material Adverse Effect shall not be deemed to include the effects of (A) changes after the date of the Letter Agreement (the “*Signing Date*”) in general business, economic or market conditions (including changes generally in prevailing interest rates, credit availability and liquidity, currency exchange rates and price levels or trading volumes in the United States or foreign securities or credit markets), or any outbreak or escalation of hostilities, declared or undeclared acts of war or terrorism, in each case generally affecting the industries in which the Company and its subsidiaries operate, (B) changes or proposed changes after the Signing Date in generally accepted accounting principles in the United States (“*GAAP*”) or regulatory accounting requirements, or authoritative interpretations thereof, (C) changes or proposed changes after the Signing Date in securities, banking and other laws of general applicability or related policies or interpretations of Governmental Entities (in the case of each of these clauses (A), (B) and (C), other than changes

or occurrences to the extent that such changes or occurrences have or would reasonably be expected to have a materially disproportionate adverse effect on the Company and its consolidated subsidiaries taken as a whole relative to comparable U.S. banking or financial services organizations), or (D) changes in the market price or trading volume of the Common Stock or any other equity, equity-related or debt securities of the Company or its consolidated subsidiaries (it being understood and agreed that the exception set forth in this clause (D) does not apply to the underlying reason giving rise to or contributing to any such change); or (ii) the ability of the Company to consummate the Purchase and the other transactions contemplated by this Agreement and the Warrant and perform its obligations hereunder or thereunder on a timely basis.

(b) “Previously Disclosed” means information set forth or incorporated in the Company’s Annual Report on Form 10-K for the most recently completed fiscal year of the Company filed with the Securities and Exchange Commission (the “SEC”) prior to the Signing Date (the “*Last Fiscal Year*”) or in its other reports and forms filed with or furnished to the SEC under Sections 13(a), 14(a) or 15(d) of the Securities Exchange Act of 1934 (the “*Exchange Act*”) on or after the last day of the Last Fiscal Year and prior to the Signing Date.

2.2 Representations and Warranties of the Company. Except as Previously Disclosed, the Company represents and warrants to the Investor that as of the Signing Date and as of the Closing Date (or such other date specified herein):

(a) Organization, Authority and Significant Subsidiaries. The Company has been duly incorporated and is validly existing and in good standing under the laws of its jurisdiction of organization, with the necessary power and authority to own its properties and conduct its business in all material respects as currently conducted, and except as has not, individually or in the aggregate, had and would not reasonably be expected to have a Company Material Adverse Effect, has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification; each subsidiary of the Company that is a “significant subsidiary” within the meaning of Rule 1-02(w) of Regulation S-X under the Securities Act of 1933 (the “*Securities Act*”) has been duly organized and is validly existing in good standing under the laws of its jurisdiction of organization. The Charter and bylaws of the Company, copies of which have been provided to the Investor prior to the Signing Date, are true, complete and correct copies of such documents as in full force and effect as of the Signing Date.

(b) Capitalization. The authorized capital stock of the Company, and the outstanding capital stock of the Company (including securities convertible into, or exercisable or exchangeable for, capital stock of the Company) as of the most recent fiscal month-end preceding the Signing Date (the “*Capitalization Date*”) is set forth on Schedule B. The outstanding shares of capital stock of the Company have been duly authorized and are validly issued and outstanding, fully paid and nonassessable, and subject to no preemptive rights (and were not issued in violation of any preemptive rights). Except as provided in the Warrant, as of the Signing Date, the Company does not have outstanding any securities or other obligations providing the holder the right to acquire Common Stock that is not reserved for issuance as

specified on Schedule B, and the Company has not made any other commitment to authorize, issue or sell any Common Stock. Since the Capitalization Date, the Company has not issued any shares of Common Stock, other than (i) shares issued upon the exercise of stock options or delivered under other equity-based awards or other convertible securities or warrants which were issued and outstanding on the Capitalization Date and disclosed on Schedule B and (ii) shares disclosed on Schedule B.

(c) Preferred Shares. The Preferred Shares have been duly and validly authorized, and, when issued and delivered pursuant to this Agreement, such Preferred Shares will be duly and validly issued and fully paid and non-assessable, will not be issued in violation of any preemptive rights, and will rank *pari passu* with or senior to all other series or classes of Preferred Stock, whether or not issued or outstanding, with respect to the payment of dividends and the distribution of assets in the event of any dissolution, liquidation or winding up of the Company.

(d) The Warrant and Warrant Shares. The Warrant has been duly authorized and, when executed and delivered as contemplated hereby, will constitute a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity ("*Bankruptcy Exceptions*"). The shares of Common Stock issuable upon exercise of the Warrant (the "*Warrant Shares*") have been duly authorized and reserved for issuance upon exercise of the Warrant and when so issued in accordance with the terms of the Warrant will be validly issued, fully paid and non-assessable, subject, if applicable, to the approvals of its stockholders set forth on Schedule C.

(e) Authorization, Enforceability.

(i) The Company has the corporate power and authority to execute and deliver this Agreement and the Warrant and, subject, if applicable, to the approvals of its stockholders set forth on Schedule C, to carry out its obligations hereunder and thereunder (which includes the issuance of the Preferred Shares, Warrant and Warrant Shares). The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company, subject, in each case, if applicable, to the approvals of its stockholders set forth on Schedule C. This Agreement is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to the Bankruptcy Exceptions.

(ii) The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby and compliance by the Company with the provisions hereof and

thereof, will not (A) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge or encumbrance upon any of the properties or assets of the Company or any Company Subsidiary under any of the terms, conditions or provisions of (i) subject, if applicable, to the approvals of the Company's stockholders set forth on Schedule C, its organizational documents or (ii) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which the Company or any Company Subsidiary is a party or by which it or any Company Subsidiary may be bound, or to which the Company or any Company Subsidiary or any of the properties or assets of the Company or any Company Subsidiary may be subject, or (B) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any statute, rule or regulation or any judgment, ruling, order, writ, injunction or decree applicable to the Company or any Company Subsidiary or any of their respective properties or assets except, in the case of clauses (A)(ii) and (B), for those occurrences that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(iii) Other than the filing of the Certificate of Designations with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity, any current report on Form 8-K required to be filed with the SEC, such filings and approvals as are required to be made or obtained under any state "blue sky" laws, the filing of any proxy statement contemplated by Section 3.1 and such as have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Company in connection with the consummation by the Company of the Purchase except for any such notices, filings, exemptions, reviews, authorizations, consents and approvals the failure of which to make or obtain would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(f) Anti-takeover Provisions and Rights Plan. The Board of Directors of the

Company (the "*Board of Directors*") has taken all necessary action to ensure that the transactions contemplated by this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant in accordance with its terms, will be exempt from any anti-takeover or similar provisions of the Company's Charter and bylaws, and any other provisions of any applicable "moratorium", "control share", "fair price", "interested stockholder" or other anti-takeover laws and regulations of any jurisdiction. The Company has taken all actions necessary to render any stockholders' rights plan of the Company inapplicable to this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant by the Investor in accordance with its terms.

(g) No Company Material Adverse Effect. Since the last day of the last completed fiscal period for which the Company has filed a Quarterly Report on Form 10-Q or an Annual

Report on Form 10-K with the SEC prior to the Signing Date, no fact, circumstance, event, change, occurrence, condition or development has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

(h) Company Financial Statements. Each of the consolidated financial statements of the Company and its consolidated subsidiaries (collectively the “*Company Financial Statements*”) included or incorporated by reference in the Company Reports filed with the SEC since December 31, 2006, present fairly in all material respects the consolidated financial position of the Company and its consolidated subsidiaries as of the dates indicated therein (or if amended prior to the Signing Date, as of the date of such amendment) and the consolidated results of their operations for the periods specified therein; and except as stated therein, such financial statements (A) were prepared in conformity with GAAP applied on a consistent basis (except as may be noted therein), (B) have been prepared from, and are in accordance with, the books and records of the Company and the Company Subsidiaries and (C) complied as to form, as of their respective dates of filing with the SEC, in all material respects with the applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto.

(i) Reports.

(i) Since December 31, 2006, the Company and each subsidiary of the Company (each a “*Company Subsidiary*” and, collectively, the “*Company Subsidiaries*”) has timely filed all reports, registrations, documents, filings, statements and submissions, together with any amendments thereto, that it was required to file with any Governmental Entity (the foregoing, collectively, the “*Company Reports*”) and has paid all fees and assessments due and payable in connection therewith, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. As of their respective dates of filing, the Company Reports complied in all material respects with all statutes and applicable rules and regulations of the applicable Governmental Entities. In the case of each such Company Report filed with or furnished to the SEC, such Company Report (A) did not, as of its date or if amended prior to the Signing Date, as of the date of such amendment, contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, and (B) complied as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act. With respect to all other Company Reports, the Company Reports were complete and accurate in all material respects as of their respective dates. No executive officer of the Company or any Company Subsidiary has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act of 2002.

(ii) The records, systems, controls, data and information of the Company and the Company Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of the Company or the

Company Subsidiaries or their accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a material adverse effect on the system of internal accounting controls described below in this Section 2.2(i)(ii). The Company (A) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to the Company, including the consolidated Company Subsidiaries, is made known to the chief executive officer and the chief financial officer of the Company by others within those entities, and (B) has disclosed, based on its most recent evaluation prior to the Signing Date, to the Company's outside auditors and the audit committee of the Board of Directors (x) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) that are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and (y) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls over financial reporting.

(j) No Undisclosed Liabilities. Neither the Company nor any of the Company Subsidiaries has any liabilities or obligations of any nature (absolute, accrued, contingent or otherwise) which are not properly reflected or reserved against in the Company Financial Statements to the extent required to be so reflected or reserved against in accordance with GAAP, except for (A) liabilities that have arisen since the last fiscal year end in the ordinary and usual course of business and consistent with past practice and (B) liabilities that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(k) Offering of Securities. Neither the Company nor any person acting on its behalf has taken any action (including any offering of any securities of the Company under circumstances which would require the integration of such offering with the offering of any of the Purchased Securities under the Securities Act, and the rules and regulations of the SEC promulgated thereunder), which might subject the offering, issuance or sale of any of the Purchased Securities to Investor pursuant to this Agreement to the registration requirements of the Securities Act.

(l) Litigation and Other Proceedings. Except (i) as set forth on Schedule D or (ii) as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, there is no (A) pending or, to the knowledge of the Company, threatened, claim, action, suit, investigation or proceeding, against the Company or any Company Subsidiary or to which any of their assets are subject nor is the Company or any Company Subsidiary subject to any order, judgment or decree or (B) unresolved violation, criticism or exception by any Governmental Entity with respect to any report or relating to any examinations or inspections of the Company or any Company Subsidiaries.

(m) Compliance with Laws. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the Company and the

Company Subsidiaries have all permits, licenses, franchises, authorizations, orders and approvals of, and have made all filings, applications and registrations with, Governmental Entities that are required in order to permit them to own or lease their properties and assets and to carry on their business as presently conducted and that are material to the business of the Company or such Company Subsidiary. Except as set forth on Schedule E, the Company and the Company Subsidiaries have complied in all respects and are not in default or violation of, and none of them is, to the knowledge of the Company, under investigation with respect to or, to the knowledge of the Company, have been threatened to be charged with or given notice of any violation of, any applicable domestic (federal, state or local) or foreign law, statute, ordinance, license, rule, regulation, policy or guideline, order, demand, writ, injunction, decree or judgment of any Governmental Entity, other than such noncompliance, defaults or violations that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. Except for statutory or regulatory restrictions of general application or as set forth on Schedule E, no Governmental Entity has placed any restriction on the business or properties of the Company or any Company Subsidiary that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(n) Employee Benefit Matters. Except as would not reasonably be expected to have, either individually or in the aggregate, a Company Material Adverse Effect: (A) each “employee benefit plan” (within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“*ERISA*”)) providing benefits to any current or former employee, officer or director of the Company or any member of its “*Controlled Group*” (defined as any organization which is a member of a controlled group of corporations within the meaning of Section 414 of the Internal Revenue Code of 1986, as amended (the “*Code*”)) that is sponsored, maintained or contributed to by the Company or any member of its Controlled Group and for which the Company or any member of its Controlled Group would have any liability, whether actual or contingent (each, a “*Plan*”) has been maintained in compliance with its terms and with the requirements of all applicable statutes, rules and regulations, including ERISA and the Code; (B) with respect to each Plan subject to Title IV of ERISA (including, for purposes of this clause (B), any plan subject to Title IV of ERISA that the Company or any member of its Controlled Group previously maintained or contributed to in the six years prior to the Signing Date), (1) no “reportable event” (within the meaning of Section 4043(c) of ERISA), other than a reportable event for which the notice period referred to in Section 4043(c) of ERISA has been waived, has occurred in the three years prior to the Signing Date or is reasonably expected to occur, (2) no “accumulated funding deficiency” (within the meaning of Section 302 of ERISA or Section 412 of the Code), whether or not waived, has occurred in the three years prior to the Signing Date or is reasonably expected to occur, (3) the fair market value of the assets under each Plan exceeds the present value of all benefits accrued under such Plan (determined based on the assumptions used to fund such Plan) and (4) neither the Company nor any member of its Controlled Group has incurred in the six years prior to the Signing Date, or reasonably expects to incur, any liability under Title IV of ERISA (other than contributions to the Plan or premiums to the PBGC in the ordinary course and without default) in respect of a Plan (including any Plan that is a “multiemployer plan”, within the meaning of Section 4001(c)(3) of ERISA); and (C) each Plan that is intended to be qualified under Section 401(a) of the Code has received a favorable

determination letter from the Internal Revenue Service with respect to its qualified status that has not been revoked, or such a determination letter has been timely applied for but not received by the Signing Date, and nothing has occurred, whether by action or by failure to act, which could reasonably be expected to cause the loss, revocation or denial of such qualified status or favorable determination letter.

(o) Taxes. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (i) the Company and the Company Subsidiaries have filed all federal, state, local and foreign income and franchise Tax returns required to be filed through the Signing Date, subject to permitted extensions, and have paid all Taxes due thereon, and (ii) no Tax deficiency has been determined adversely to the Company or any of the Company Subsidiaries, nor does the Company have any knowledge of any Tax deficiencies. “Tax” or “Taxes” means any federal, state, local or foreign income, gross receipts, property, sales, use, license, excise, franchise, employment, payroll, withholding, alternative or add on minimum, ad valorem, transfer or excise tax, or any other tax, custom, duty, governmental fee or other like assessment or charge of any kind whatsoever, together with any interest or penalty, imposed by any Governmental Entity.

(p) Properties and Leases. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the Company and the Company Subsidiaries have good and marketable title to all real properties and all other properties and assets owned by them, in each case free from liens, encumbrances, claims and defects that would affect the value thereof or interfere with the use made or to be made thereof by them. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the Company and the Company Subsidiaries hold all leased real or personal property under valid and enforceable leases with no exceptions that would interfere with the use made or to be made thereof by them.

(q) Environmental Liability. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect:

(i) there is no legal, administrative, or other proceeding, claim or action of any nature seeking to impose, or that would reasonably be expected to result in the imposition of, on the Company or any Company Subsidiary, any liability relating to the release of hazardous substances as defined under any local, state or federal environmental statute, regulation or ordinance, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, pending or, to the Company’s knowledge, threatened against the Company or any Company Subsidiary;

Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, all derivative instruments, including, swaps, caps, floors and option agreements, whether entered into for the Company's own account, or for the account of one or more of the Company Subsidiaries or its or their customers, were entered into (i) only in the ordinary course of business, (ii) in accordance with prudent practices and in all material respects with all applicable laws, rules, regulations and regulatory policies and (iii) with counterparties believed to be financially responsible at the time; and each of such instruments constitutes the valid and legally binding obligation of the Company or one of the Company Subsidiaries, enforceable in accordance with its terms, except as may be limited by the Bankruptcy Exceptions. Neither the Company or the Company Subsidiaries, nor, to the knowledge of the Company, any other party thereto, is in breach of any of its obligations under any such agreement or arrangement other than such breaches that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(s) Agreements with Regulatory Agencies. Except as set forth on Schedule F, neither the Company nor any Company Subsidiary is subject to any material cease-and-desist or other similar order or enforcement action issued by, or is a party to any material written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any capital directive by, or since December 31, 2006, has adopted any board resolutions at the request of, any Governmental Entity (other than the Appropriate Federal Banking Agencies with jurisdiction over the Company and the Company Subsidiaries) that currently restricts in any material respect the conduct of its business or that in any material manner relates to its capital adequacy, its liquidity and funding policies and practices, its ability to pay dividends, its credit, risk management or compliance policies or procedures, its internal controls, its management or its operations or business (each item in this sentence, a "*Regulatory Agreement*"), nor has the Company or any Company Subsidiary been advised since December 31, 2006 by any such Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Regulatory Agreement. The Company and each Company Subsidiary is in compliance in all material respects with each Regulatory Agreement to which it is party or subject, and neither the Company nor any Company Subsidiary has received any notice from any Governmental Entity indicating that either the Company or any Company Subsidiary is not in compliance in all material respects with any such Regulatory Agreement. "*Appropriate Federal Banking Agency*" means the "appropriate Federal banking agency" with respect to the Company or such Company Subsidiaries, as applicable, as defined in Section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. Section 1813(q)).

(t) Insurance. The Company and the Company Subsidiaries are insured with reputable insurers against such risks and in such amounts as the management of the Company reasonably has determined to be prudent and consistent with industry practice. The Company and the Company Subsidiaries are in material compliance with their insurance policies and are not in default under any of the material terms thereof, each such policy is outstanding and in full force and effect, all premiums and other payments due under any material policy have been paid, and all claims thereunder have been filed in due and timely fashion, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(u) Intellectual Property. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (i) the Company and each Company Subsidiary owns or otherwise has the right to use, all intellectual property rights, including all trademarks, trade dress, trade names, service marks, domain names, patents, inventions, trade secrets, know-how, works of authorship and copyrights therein, that are used in the conduct of their existing businesses and all rights relating to the plans, design and specifications of any of its branch facilities (“*Proprietary Rights*”) free and clear of all liens and any claims of ownership by current or former employees, contractors, designers or others and (ii) neither the Company nor any of the Company Subsidiaries is materially infringing, diluting, misappropriating or violating, nor has the Company or any of the Company Subsidiaries received any written (or, to the knowledge of the Company, oral) communications alleging that any of them has materially infringed, diluted, misappropriated or violated, any of the Proprietary Rights owned by any other person. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, to the Company’s knowledge, no other person is infringing, diluting, misappropriating or violating, nor has the Company or any of the Company Subsidiaries sent any written communications since January 1, 2006 alleging that any person has infringed, diluted, misappropriated or violated, any of the Proprietary Rights owned by the Company and the Company Subsidiaries.

No broker, finder or investment banker is entitled to any financial advisory, brokerage, finder’s or other fee or commission in connection with this Agreement or the Warrant or the transactions contemplated hereby or thereby based upon arrangements made by or on behalf of the Company or any Company Subsidiary for which the Investor could have any liability.

Article III Covenants

3.1 Commercially Reasonable Efforts.

(a) Subject to the terms and conditions of this Agreement, each of the parties will use its commercially reasonable efforts in good faith to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or desirable, or advisable under applicable laws, so as to permit consummation of the Purchase as promptly as practicable and otherwise to enable consummation of the transactions contemplated hereby and shall use commercially reasonable efforts to cooperate with the other party to that end.

(b) If the Company is required to obtain any stockholder approvals set forth on Schedule C, then the Company shall comply with this Section 3.1(b) and Section 3.1(c). The Company shall call a special meeting of its stockholders, as promptly as practicable following the Closing, to vote on proposals (collectively, the “*Stockholder Proposals*”) to (i) approve the exercise of the Warrant for Common Stock for purposes of the rules of the national security exchange on which the Common Stock is listed and/or (ii) amend the Company’s Charter to increase the number of authorized shares of Common Stock to at least such number as shall be sufficient to permit the full exercise of the Warrant for Common Stock and comply with the

other provisions of this Section 3.1(b) and Section 3.1(c). The Board of Directors shall recommend to the Company's stockholders that such stockholders vote in favor of the Stockholder Proposals. In connection with such meeting, the Company shall prepare (and the Investor will reasonably cooperate with the Company to prepare) and file with the SEC as promptly as practicable (but in no event more than ten business days after the Closing) a preliminary proxy statement, shall use its reasonable best efforts to respond to any comments of the SEC or its staff thereon and to cause a definitive proxy statement related to such stockholders' meeting to be mailed to the Company's stockholders not more than five business days after clearance thereof by the SEC, and shall use its reasonable best efforts to solicit proxies for such stockholder approval of the Stockholder Proposals. The Company shall notify the Investor promptly of the receipt of any comments from the SEC or its staff with respect to the proxy statement and of any request by the SEC or its staff for amendments or supplements to such proxy statement or for additional information and will supply the Investor with copies of all correspondence between the Company or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to such proxy statement. If at any time prior to such stockholders' meeting there shall occur any event that is required to be set forth in an amendment or supplement to the proxy statement, the Company shall as promptly as practicable prepare and mail to its stockholders such an amendment or supplement. Each of the Investor and the Company agrees promptly to correct any information provided by it or on its behalf for use in the proxy statement if and to the extent that such information shall have become false or misleading in any material respect, and the Company shall as promptly as practicable prepare and mail to its stockholders an amendment or supplement to correct such information to the extent required by applicable laws and regulations. The Company shall consult with the Investor prior to filing any proxy statement, or any amendment or supplement thereto, and provide the Investor with a reasonable opportunity to comment thereon. In the event that the approval of any of the Stockholder Proposals is not obtained at such special stockholders meeting, the Company shall include a proposal to approve (and the Board of Directors shall recommend approval of) each such proposal at a meeting of its stockholders no less than once in each subsequent six-month period beginning on January 1, 2009 until all such approvals are obtained or made.

(c) None of the information supplied by the Company or any of the Company Subsidiaries for inclusion in any proxy statement in connection with any such stockholders meeting of the Company will, at the date it is filed with the SEC, when first mailed to the Company's stockholders and at the time of any stockholders meeting, and at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

3.2 Expenses. Unless otherwise provided in this Agreement or the Warrant, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement and the Warrant, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

3.3 Sufficiency of Authorized Common Stock; Exchange Listing.

(a) During the period from the Closing Date (or, if the approval of the Stockholder Proposals is required, the date of such approval) until the date on which the Warrant has been fully exercised, the Company shall at all times have reserved for issuance, free of preemptive or similar rights, a sufficient number of authorized and unissued Warrant Shares to effectuate such exercise. Nothing in this Section 3.3 shall preclude the Company from satisfying its obligations in respect of the exercise of the Warrant by delivery of shares of Common Stock which are held in the treasury of the Company. As soon as reasonably practicable following the Closing, the Company shall, at its expense, cause the Warrant Shares to be listed on the same national securities exchange on which the Common Stock is listed, subject to official notice of issuance, and shall maintain such listing for so long as any Common Stock is listed on such exchange.

(b) If requested by the Investor, the Company shall promptly use its reasonable best efforts to cause the Preferred Shares to be approved for listing on a national securities exchange as promptly as practicable following such request.

3.4 Certain Notifications Until Closing. From the Signing Date until the Closing, the Company shall promptly notify the Investor of (i) any fact, event or circumstance of which it is aware and which would reasonably be expected to cause any representation or warranty of the Company contained in this Agreement to be untrue or inaccurate in any material respect or to cause any covenant or agreement of the Company contained in this Agreement not to be complied with or satisfied in any material respect and (ii) except as Previously Disclosed, any fact, circumstance, event, change, occurrence, condition or development of which the Company is aware and which, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect; *provided, however*, that delivery of any notice pursuant to this Section 3.4 shall not limit or affect any rights of or remedies available to the Investor; *provided, further*, that a failure to comply with this Section 3.4 shall not constitute a breach of this Agreement or the failure of any condition set forth in Section 1.2 to be satisfied unless the underlying Company Material Adverse Effect or material breach would independently result in the failure of a condition set forth in Section 1.2 to be satisfied.

3.5 Access, Information and Confidentiality.

(a) From the Signing Date until the date when the Investor holds an amount of Preferred Shares having an aggregate liquidation value of less than 10% of the Purchase Price, the Company will permit the Investor and its agents, consultants, contractors and advisors (x) acting through the Appropriate Federal Banking Agency, to examine the corporate books and make copies thereof and to discuss the affairs, finances and accounts of the Company and the Company Subsidiaries with the principal officers of the Company, all upon reasonable notice and at such reasonable times and as often as the Investor may reasonably request and (y) to review any information material to the Investor's investment in the Company provided by the Company to its Appropriate Federal Banking Agency. Any investigation pursuant to this Section 3.5 shall be conducted during normal business hours and in such manner as not to interfere unreasonably with the conduct of the business of the Company, and nothing herein shall require the Company or any Company Subsidiary to disclose any information to the Investor to the extent (i) prohibited by applicable law or regulation, or (ii) that such disclosure would reasonably be

expected to cause a violation of any agreement to which the Company or any Company Subsidiary is a party or would cause a risk of a loss of privilege to the Company or any Company Subsidiary (*provided* that the Company shall use commercially reasonable efforts to make appropriate substitute disclosure arrangements under circumstances where the restrictions in this clause (ii) apply).

(b) The Investor will use reasonable best efforts to hold, and will use reasonable best efforts to cause its agents, consultants, contractors and advisors to hold, in confidence all non-public records, books, contracts, instruments, computer data and other data and information (collectively, "*Information*") concerning the Company furnished or made available to it by the Company or its representatives pursuant to this Agreement (except to the extent that such information can be shown to have been (i) previously known by such party on a non-confidential basis, (ii) in the public domain through no fault of such party or (iii) later lawfully acquired from other sources by the party to which it was furnished (and without violation of any other confidentiality obligation)); *provided* that nothing herein shall prevent the Investor from disclosing any Information to the extent required by applicable laws or regulations or by any subpoena or similar legal process.

Article IV **Additional Agreements**

(d) In the event that any Purchased Securities or Warrant Shares (i) become registered under the Securities Act or (ii) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), the Company shall issue new certificates or other instruments representing such Purchased Securities or Warrant Shares, which shall not contain the applicable legends in Sections 4.2(a) and (c) above; *provided* that the Investor surrenders to the Company the previously issued certificates or other instruments. Upon Transfer of all or a portion of the Warrant in compliance with Section 4.4, the Company shall issue new certificates or other instruments representing the Warrant, which shall not contain the applicable legend in Section 4.2(b) above; *provided* that the Investor surrenders to the Company the previously issued certificates or other instruments.

4.3 Certain Transactions. The Company will not merge or consolidate with, or sell, transfer or lease all or substantially all of its property or assets to, any other party unless the successor, transferee or lessee party (or its ultimate parent entity), as the case may be (if not the Company), expressly assumes the due and punctual performance and observance of each and every covenant, agreement and condition of this Agreement to be performed and observed by the Company.

4.4 Transfer of Purchased Securities and Warrant Shares; Restrictions on Exercise of the Warrant. Subject to compliance with applicable securities laws, the Investor shall be permitted to transfer, sell, assign or otherwise dispose of (“*Transfer*”) all or a portion of the Purchased Securities or Warrant Shares at any time, and the Company shall take all steps as may be reasonably requested by the Investor to facilitate the Transfer of the Purchased Securities and the Warrant Shares; *provided* that the Investor shall not Transfer a portion or portions of the Warrant with respect to, and/or exercise the Warrant for, more than one-half of the Initial Warrant Shares (as such number may be adjusted from time to time pursuant to Section 13 thereof) in the aggregate until the earlier of (a) the date on which the Company (or any successor by Business Combination) has received aggregate gross proceeds of not less than the Purchase Price (and the purchase price paid by the Investor to any such successor for securities of such successor purchased under the CPP) from one or more Qualified Equity Offerings (including Qualified Equity Offerings of such successor) and (b) December 31, 2009. “*Qualified Equity Offering*” means the sale and issuance for cash by the Company to persons other than the Company or any of the Company Subsidiaries after the Closing Date of shares of perpetual Preferred Stock, Common Stock or any combination of such stock, that, in each case, qualify as and may be included in Tier 1 capital of the Company at the time of issuance under the applicable risk-based capital guidelines of the Company’s Appropriate Federal Banking Agency (other than any such sales and issuances made pursuant to agreements or arrangements entered into, or pursuant to financing plans which were publicly announced, on or prior to October 13,

2008). “*Business Combination*” means a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company’s stockholders.

4.5 Registration Rights.

(a) Registration.

(i) Subject to the terms and conditions of this Agreement, the Company covenants and agrees that as promptly as practicable after the Closing Date (and in any event no later than 30 days after the Closing Date), the Company shall prepare and file with the SEC a Shelf Registration Statement covering all Registrable Securities (or otherwise designate an existing Shelf Registration Statement filed with the SEC to cover the Registrable Securities), and, to the extent the Shelf Registration Statement has not theretofore been declared effective or is not automatically effective upon such filing, the Company shall use reasonable best efforts to cause such Shelf Registration Statement to be declared or become effective and to keep such Shelf Registration Statement continuously effective and in compliance with the Securities Act and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining (including by refiling such Shelf Registration Statement (or a new Shelf Registration Statement) if the initial Shelf Registration Statement expires). So long as the Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) at the time of filing of the Shelf Registration Statement with the SEC, such Shelf Registration Statement shall be designated by the Company as an automatic Shelf Registration Statement. Notwithstanding the foregoing, if on the Signing Date the Company is not eligible to file a registration statement on Form S-3, then the Company shall not be obligated to file a Shelf Registration Statement unless and until requested to do so in writing by the Investor.

(ii) Any registration pursuant to Section 4.5(a)(i) shall be effected by means of a shelf registration on an appropriate form under Rule 415 under the Securities Act (a “*Shelf Registration Statement*”). If the Investor or any other Holder intends to distribute any Registrable Securities by means of an underwritten offering it shall promptly so advise the Company and the Company shall take all reasonable steps to facilitate such distribution, including the actions required pursuant to Section 4.5(c); *provided* that the Company shall not be required to facilitate an underwritten offering of Registrable Securities unless the expected gross proceeds from such offering exceed (i) 2% of the initial aggregate liquidation preference of the Preferred Shares if such initial aggregate liquidation preference is less than \$2 billion and (ii) \$200 million if the initial aggregate liquidation preference of the Preferred Shares is equal to or greater than \$2 billion. The lead underwriters in any such distribution shall be selected by the Holders of a majority of the Registrable Securities to be distributed; *provided* that to the extent appropriate and permitted under applicable law, such Holders shall consider the qualifications of any broker-dealer Affiliate of the Company in selecting the lead underwriters in any such distribution.

(iii) The Company shall not be required to effect a registration (including a resale of Registrable Securities from an effective Shelf Registration Statement) or an underwritten offering pursuant to Section 4.5(a): (A) with respect to securities that are not Registrable Securities; or (B) if the Company has notified the Investor and all other Holders that in the good faith judgment of the Board of Directors, it would be materially detrimental to the Company or its securityholders for such registration or underwritten offering to be effected at such time, in which event the Company shall have the right to defer such registration for a period of not more than 45 days after receipt of the request of the Investor or any other Holder; *provided* that such right to delay a registration or underwritten offering shall be exercised by the Company (1) only if the Company has generally exercised (or is concurrently exercising) similar black-out rights against holders of similar securities that have registration rights and (2) not more than three times in any 12-month period and not more than 90 days in the aggregate in any 12-month period.

(iv) If during any period when an effective Shelf Registration Statement is not available, the Company proposes to register any of its equity securities, other than a registration pursuant to Section 4.5(a)(i) or a Special Registration, and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will give prompt written notice to the Investor and all other Holders of its intention to effect such a registration (but in no event less than ten days prior to the anticipated filing date) and will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten business days after the date of the Company's notice (a "*Piggyback Registration*"). Any such person that has made such a written request may withdraw its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifth business day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration under this Section 4.5(a)(iv) prior to the effectiveness of such registration, whether or not Investor or any other Holders have elected to include Registrable Securities in such registration.

(v) If the registration referred to in Section 4.5(a)(iv) is proposed to be underwritten, the Company will so advise Investor and all other Holders as a part of the written notice given pursuant to Section 4.5(a)(iv). In such event, the right of Investor and all other Holders to registration pursuant to Section 4.5(a) will be conditioned upon such persons' participation in such underwriting and the inclusion of such person's Registrable Securities in the underwriting if such securities are of the same class of securities as the securities to be offered in the underwritten offering, and each such person will (together with the Company and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; *provided* that the Investor (as opposed to other Holders) shall not be required to indemnify any person in connection with any registration. If any participating person disapproves of the terms of the underwriting, such person may elect to withdraw therefrom by written notice

to the Company, the managing underwriters and the Investor (if the Investor is participating in the underwriting).

(vi) If either (x) the Company grants “piggyback” registration rights to one or more third parties to include their securities in an underwritten offering under the Shelf Registration Statement pursuant to Section 4.5(a)(ii) or (y) a Piggyback Registration under Section 4.5(a)(iv) relates to an underwritten offering on behalf of the Company, and in either case the managing underwriters advise the Company that in their reasonable opinion the number of securities requested to be included in such offering exceeds the number which can be sold without adversely affecting the marketability of such offering (including an adverse effect on the per share offering price), the Company will include in such offering only such number of securities that in the reasonable opinion of such managing underwriters can be sold without adversely affecting the marketability of the offering (including an adverse effect on the per share offering price), which securities will be so included in the following order of priority: (A) first, in the case of a Piggyback Registration under Section 4.5(a)(iv), the securities the Company proposes to sell, (B) then the Registrable Securities of the Investor and all other Holders who have requested inclusion of Registrable Securities pursuant to Section 4.5(a)(ii) or Section 4.5(a)(iv), as applicable, *pro rata* on the basis of the aggregate number of such securities or shares owned by each such person and (C) lastly, any other securities of the Company that have been requested to be so included, subject to the terms of this Agreement; *provided, however*, that if the Company has, prior to the Signing Date, entered into an agreement with respect to its securities that is inconsistent with the order of priority contemplated hereby then it shall apply the order of priority in such conflicting agreement to the extent that it would otherwise result in a breach under such agreement.

(b) Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder shall be borne by the holders of the securities so registered *pro rata* on the basis of the aggregate offering or sale price of the securities so registered.

(c) Obligations of the Company. The Company shall use its reasonable best efforts, for so long as there are Registrable Securities outstanding, to take such actions as are under its control to not become an ineligible issuer (as defined in Rule 405 under the Securities Act) and to remain a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) if it has such status on the Signing Date or becomes eligible for such status in the future. In addition, whenever required to effect the registration of any Registrable Securities or facilitate the distribution of Registrable Securities pursuant to an effective Shelf Registration Statement, the Company shall, as expeditiously as reasonably practicable:

(i) Prepare and file with the SEC a prospectus supplement with respect to a proposed offering of Registrable Securities pursuant to an effective registration statement, subject to Section 4.5(d), keep such registration statement effective and keep

such prospectus supplement current until the securities described therein are no longer Registrable Securities.

(ii) Prepare and file with the SEC such amendments and supplements to the applicable registration statement and the prospectus or prospectus supplement used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(iii) Furnish to the Holders and any underwriters such number of copies of the applicable registration statement and each such amendment and supplement thereto (including in each case all exhibits) and of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(iv) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders or any managing underwriter(s), to keep such registration or qualification in effect for so long as such registration statement remains in effect, and to take any other action which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the securities owned by such Holder; *provided* that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(v) Notify each Holder of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(vi) Give written notice to the Holders:

(A) when any registration statement filed pursuant to Section 4.5(a) or any amendment thereto has been filed with the SEC (except for any amendment effected by the filing of a document with the SEC pursuant to the Exchange Act) and when such registration statement or any post-effective amendment thereto has become effective;

(B) of any request by the SEC for amendments or supplements to any registration statement or the prospectus included therein or for additional information;

(C) of the issuance by the SEC of any stop order suspending the effectiveness of any registration statement or the initiation of any proceedings for that purpose;

(D) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Common Stock for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(E) of the happening of any event that requires the Company to make changes in any effective registration statement or the prospectus related to the registration statement in order to make the statements therein not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made); and

(F) if at any time the representations and warranties of the Company contained in any underwriting agreement contemplated by Section 4.5(c)(x) cease to be true and correct.

(vii) Use its reasonable best efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any registration statement referred to in Section 4.5(c)(vi)(C) at the earliest practicable time.

(viii) Upon the occurrence of any event contemplated by Section 4.5(c)(v) or 4.5(c)(vi)(E), promptly prepare a post-effective amendment to such registration statement or a supplement to the related prospectus or file any other required document so that, as thereafter delivered to the Holders and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with Section 4.5(c)(vi)(E) to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Holders and any underwriters shall suspend use of such prospectus and use their reasonable best efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanent file copies then in such Holders' or underwriters' possession. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(ix) Use reasonable best efforts to procure the cooperation of the Company's transfer agent in settling any offering or sale of Registrable Securities, including with respect to the transfer of physical stock certificates into book-entry form in accordance with any procedures reasonably requested by the Holders or any managing underwriter(s).

(x) If an underwritten offering is requested pursuant to Section 4.5(a)(ii), enter into an underwriting agreement in customary form, scope and substance and take all such

other actions reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith or by the managing underwriter(s), if any, to expedite or facilitate the underwritten disposition of such Registrable Securities, and in connection therewith in any underwritten offering (including making members of management and executives of the Company available to participate in “road shows”, similar sales events and other marketing activities), (A) make such representations and warranties to the Holders that are selling stockholders and the managing underwriter(s), if any, with respect to the business of the Company and its subsidiaries, and the Shelf Registration Statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in customary form, substance and scope, and, if true, confirm the same if and when requested, (B) use its reasonable best efforts to furnish the underwriters with opinions of counsel to the Company, addressed to the managing underwriter(s), if any, covering the matters customarily covered in such opinions requested in underwritten offerings, (C) use its reasonable best efforts to obtain “cold comfort” letters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any business acquired by the Company for which financial statements and financial data are included in the Shelf Registration Statement) who have certified the financial statements included in such Shelf Registration Statement, addressed to each of the managing underwriter(s), if any, such letters to be in customary form and covering matters of the type customarily covered in “cold comfort” letters, (D) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures customary in underwritten offerings (provided that the Investor shall not be obligated to provide any indemnity), and (E) deliver such documents and certificates as may be reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith, their counsel and the managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to clause (i) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(xi) Make available for inspection by a representative of Holders that are selling stockholders, the managing underwriter(s), if any, and any attorneys or accountants retained by such Holders or managing underwriter(s), at the offices where normally kept, during reasonable business hours, financial and other records, pertinent corporate documents and properties of the Company, and cause the officers, directors and employees of the Company to supply all information in each case reasonably requested (and of the type customarily provided in connection with due diligence conducted in connection with a registered public offering of securities) by any such representative, managing underwriter(s), attorney or accountant in connection with such Shelf Registration Statement.

(xii) Use reasonable best efforts to cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any national securities exchange, use its reasonable best efforts to cause all such

Registrable Securities to be listed on such securities exchange as the Investor may designate.

(xiii) If requested by Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith, or the managing underwriter(s), if any, promptly include in a prospectus supplement or amendment such information as the Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith or managing underwriter(s), if any, may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such amendment as soon as practicable after the Company has received such request.

(xiv) Timely provide to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

(d) Suspension of Sales. Upon receipt of written notice from the Company that a registration statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits or may omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that circumstances exist that make inadvisable use of such registration statement, prospectus or prospectus supplement, the Investor and each Holder of Registrable Securities shall forthwith discontinue disposition of Registrable Securities until the Investor and/or Holder has received copies of a supplemented or amended prospectus or prospectus supplement, or until the Investor and/or such Holder is advised in writing by the Company that the use of the prospectus and, if applicable, prospectus supplement may be resumed, and, if so directed by the Company, the Investor and/or such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the Investor and/or such Holder's possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such notice. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(e) Termination of Registration Rights. A Holder's registration rights as to any securities held by such Holder (and its Affiliates, partners, members and former members) shall not be available unless such securities are Registrable Securities.

(f) Furnishing Information.

(i) Neither the Investor nor any Holder shall use any free writing prospectus (as defined in Rule 405) in connection with the sale of Registrable Securities without the prior written consent of the Company.

(ii) It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 4.5(c) that Investor and/or the selling Holders and the underwriters, if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of

disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

(g) Indemnification.

(i) The Company agrees to indemnify each Holder and, if a Holder is a person other than an individual, such Holder's officers, directors, employees, agents, representatives and Affiliates, and each Person, if any, that controls a Holder within the meaning of the Securities Act (each, an "*Indemnatee*"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto or any documents incorporated therein by reference or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto); or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided*, that the Company shall not be liable to such Indemnatee in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon (A) an untrue statement or omission made in such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto), in reliance upon and in conformity with information regarding such Indemnatee or its plan of distribution or ownership interests which was furnished in writing to the Company by such Indemnatee for use in connection with such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto, or (B) offers or sales effected by or on behalf of such Indemnatee "by means of" (as defined in Rule 159A) a "free writing prospectus" (as defined in Rule 405) that was not authorized in writing by the Company.

(ii) If the indemnification provided for in Section 4.5(g)(i) is unavailable to an Indemnatee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnatee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnatee, shall contribute to the amount paid or payable by such Indemnatee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnatee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant

equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 4.5(g)(ii) were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 4.5(g)(i). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

(h) Assignment of Registration Rights. The rights of the Investor to registration of Registrable Securities pursuant to Section 4.5(a) may be assigned by the Investor to a transferee or assignee of Registrable Securities with a liquidation preference or, in the case of Registrable Securities other than Preferred Shares, a market value, no less than an amount equal to (i) 2% of the initial aggregate liquidation preference of the Preferred Shares if such initial aggregate liquidation preference is less than \$2 billion and (ii) \$200 million if the initial aggregate liquidation preference of the Preferred Shares is equal to or greater than \$2 billion; *provided, however*, the transferor shall, within ten days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the number and type of Registrable Securities that are being assigned. For purposes of this Section 4.5(h), "market value" per share of Common Stock shall be the last reported sale price of the Common Stock on the national securities exchange on which the Common Stock is listed or admitted to trading on the last trading day prior to the proposed transfer, and the "market value" for the Warrant (or any portion thereof) shall be the market value per share of Common Stock into which the Warrant (or such portion) is exercisable less the exercise price per share.

(i) Clear Market. With respect to any underwritten offering of Registrable Securities by the Investor or other Holders pursuant to this Section 4.5, the Company agrees not to effect (other than pursuant to such registration or pursuant to a Special Registration) any public sale or distribution, or to file any Shelf Registration Statement (other than such registration or a Special Registration) covering, in the case of an underwritten offering of Common Stock or Warrants, any of its equity securities or, in the case of an underwritten offering of Preferred Shares, any Preferred Stock of the Company, or, in each case, any securities convertible into or exchangeable or exercisable for such securities, during the period not to exceed ten days prior and 60 days following the effective date of such offering or such longer period up to 90 days as may be requested by the managing underwriter for such underwritten offering. The Company also agrees to cause such of its directors and senior executive officers to execute and deliver customary lock-up agreements in such form and for such time period up to 90 days as may be requested by the managing underwriter. "*Special Registration*" means the registration of (A) equity securities and/or options or other rights in respect thereof solely registered on Form S-4 or Form S-8 (or successor form) or (B) shares of equity securities and/or options or other rights in respect thereof to be offered to directors, members of management, employees, consultants,

customers, lenders or vendors of the Company or Company Subsidiaries or in connection with dividend reinvestment plans.

(j) Rule 144; Rule 144A. With a view to making available to the Investor and Holders the benefits of certain rules and regulations of the SEC which may permit the sale of the Registrable Securities to the public without registration, the Company agrees to use its reasonable best efforts to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144(c)(1) or any similar or analogous rule promulgated under the Securities Act, at all times after the Signing Date;

(ii) (A) file with the SEC, in a timely manner, all reports and other documents required of the Company under the Exchange Act, and (B) if at any time the Company is not required to file such reports, make available, upon the request of any Holder, such information necessary to permit sales pursuant to Rule 144A (including the information required by Rule 144A(d)(4) under the Securities Act);

(iii) so long as the Investor or a Holder owns any Registrable Securities, furnish to the Investor or such Holder forthwith upon request: a written statement by the Company as to its compliance with the reporting requirements of Rule 144 under the Securities Act, and of the Exchange Act; a copy of the most recent annual or quarterly report of the Company; and such other reports and documents as the Investor or Holder may reasonably request in availing itself of any rule or regulation of the SEC allowing it to sell any such securities to the public without registration; and

(iv) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act.

(k) As used in this Section 4.5, the following terms shall have the following respective meanings:

(i) “*Holder*” means the Investor and any other holder of Registrable Securities to whom the registration rights conferred by this Agreement have been transferred in compliance with Section 4.5(h) hereof.

(ii) “*Holders’ Counsel*” means one counsel for the selling Holders chosen by Holders holding a majority interest in the Registrable Securities being registered.

(iii) “*Register*,” “*registered*,” and “*registration*” shall refer to a registration effected by preparing and (A) filing a registration statement in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of effectiveness of such registration statement or (B) filing a prospectus and/or

prospectus supplement in respect of an appropriate effective registration statement on Form S-3.

(iv) “*Registrable Securities*” means (A) all Preferred Shares, (B) the Warrant (subject to Section 4.5(p)) and (C) any equity securities issued or issuable directly or indirectly with respect to the securities referred to in the foregoing clauses (A) or (B) by way of conversion, exercise or exchange thereof, including the Warrant Shares, or share dividend or share split or in connection with a combination of shares, recapitalization, reclassification, merger, amalgamation, arrangement, consolidation or other reorganization, *provided* that, once issued, such securities will not be Registrable Securities when (1) they are sold pursuant to an effective registration statement under the Securities Act, (2) except as provided below in Section 4.5(o), they may be sold pursuant to Rule 144 without limitation thereunder on volume or manner of sale, (3) they shall have ceased to be outstanding or (4) they have been sold in a private transaction in which the transferor’s rights under this Agreement are not assigned to the transferee of the securities. No Registrable Securities may be registered under more than one registration statement at any one time.

(v) “*Registration Expenses*” mean all expenses incurred by the Company in effecting any registration pursuant to this Agreement (whether or not any registration or prospectus becomes effective or final) or otherwise complying with its obligations under this Section 4.5, including all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the Company, blue sky fees and expenses, expenses incurred in connection with any “road show”, the reasonable fees and disbursements of Holders’ Counsel, and expenses of the Company’s independent accountants in connection with any regular or special reviews or audits incident to or required by any such registration, but shall not include Selling Expenses.

(iv) “*Rule 144*”, “*Rule 144A*”, “*Rule 159A*”, “*Rule 405*” and “*Rule 415*” mean, in each case, such rule promulgated under the Securities Act (or any successor provision), as the same shall be amended from time to time.

(v) “*Selling Expenses*” mean all discounts, selling commissions and stock transfer taxes applicable to the sale of Registrable Securities and fees and disbursements of counsel for any Holder (other than the fees and disbursements of Holders’ Counsel included in Registration Expenses).

(l) At any time, any holder of Securities (including any Holder) may elect to forfeit its rights set forth in this Section 4.5 from that date forward; *provided*, that a Holder forfeiting such rights shall nonetheless be entitled to participate under Section 4.5(a)(iv) — (vi) in any Pending Underwritten Offering to the same extent that such Holder would have been entitled to if the holder had not withdrawn; and *provided, further*, that no such forfeiture shall terminate a Holder’s rights or obligations under Section 4.5(f) with respect to any prior registration or Pending Underwritten Offering. “*Pending Underwritten Offering*” means, with respect to *any* Holder forfeiting its rights pursuant to this Section 4.5(1), any underwritten offering of

Registrable Securities in which such Holder has advised the Company of its intent to register its Registrable Securities either pursuant to Section 4.5(a)(ii) or 4.5(a)(iv) prior to the date of such Holder's forfeiture.

(m) Specific Performance. The parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations under this Section 4.5 and that the Investor and the Holders from time to time may be irreparably harmed by any such failure, and accordingly agree that the Investor and such Holders, in addition to any other remedy to which they may be entitled at law or in equity, to the fullest extent permitted and enforceable under applicable law shall be entitled to compel specific performance of the obligations of the Company under this Section 4.5 in accordance with the terms and conditions of this Section 4.5.

(n) No Inconsistent Agreements. The Company shall not, on or after the Signing Date, enter into any agreement with respect to its securities that may impair the rights granted to the Investor and the Holders under this Section 4.5 or that otherwise conflicts with the provisions hereof in any manner that may impair the rights granted to the Investor and the Holders under this Section 4.5. In the event the Company has, prior to the Signing Date, entered into any agreement with respect to its securities that is inconsistent with the rights granted to the Investor and the Holders under this Section 4.5 (including agreements that are inconsistent with the order of priority contemplated by Section 4.5(a)(vi)) or that may otherwise conflict with the provisions hereof, the Company shall use its reasonable best efforts to amend such agreements to ensure they are consistent with the provisions of this Section 4.5.

(o) Certain Offerings by the Investor. In the case of any securities held by the Investor that cease to be Registrable Securities solely by reason of clause (2) in the definition of "Registrable Securities," the provisions of Sections 4.5(a)(ii), clauses (iv), (ix) and (x)-(xii) of Section 4.5(c), Section 4.5(g) and Section 4.5(i) shall continue to apply until such securities otherwise cease to be Registrable Securities. In any such case, an "underwritten" offering or other disposition shall include any distribution of such securities on behalf of the Investor by one or more broker-dealers, an "underwriting agreement" shall include any purchase agreement entered into by such broker-dealers, and any "registration statement" or "prospectus" shall include any offering document approved by the Company and used in connection with such distribution.

(p) Registered Sales of the Warrant. The Holders agree to sell the Warrant or any portion thereof under the Shelf Registration Statement only beginning 30 days after notifying the Company of any such sale, during which 30-day period the Investor and all Holders of the Warrant shall take reasonable steps to agree to revisions to the Warrant to permit a public distribution of the Warrant, including entering into a warrant agreement and appointing a warrant agent.

4.6 Voting of Warrant Shares. Notwithstanding anything in this Agreement to the contrary, the Investor shall not exercise any voting rights with respect to the Warrant Shares.

4.7 Depository Shares. Upon request by the Investor at any time following the Closing Date, the Company shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to the Investor and with a depository reasonably acceptable to the Investor, pursuant to which the Preferred Shares may be deposited and depository shares, each representing a fraction of a Preferred Share as specified by the Investor, may be issued. From and after the execution of any such depository arrangement, and the deposit of any Preferred Shares pursuant thereto, the depository shares issued pursuant thereto shall be deemed “Preferred Shares” and, as applicable, “Registrable Securities” for purposes of this Agreement.

4.8 Restriction on Dividends and Repurchases.

(a) Prior to the earlier of (x) the third anniversary of the Closing Date and (y) the date on which the Preferred Shares have been redeemed in whole or the Investor has transferred all of the Preferred Shares to third parties which are not Affiliates of the Investor, neither the Company nor any Company Subsidiary shall, without the consent of the Investor:

(i) declare or pay any dividend or make any distribution on the Common Stock (other than (A) regular quarterly cash dividends of not more than the amount of the last quarterly cash dividend per share declared or, if lower, publicly announced an intention to declare, on the Common Stock prior to October 14, 2008, as adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction, (B) dividends payable solely in shares of Common Stock and (C) dividends or distributions of rights or Junior Stock in connection with a stockholders’ rights plan); or

(ii) redeem, purchase or acquire any shares of Common Stock or other capital stock or other equity securities of any kind of the Company, or any trust preferred securities issued by the Company or any Affiliate of the Company, other than (A) redemptions, purchases or other acquisitions of the Preferred Shares, (B) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock, in each case in this clause (B) in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice; *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount, (C) purchases or other acquisitions by a broker-dealer subsidiary of the Company solely for the purpose of market-making, stabilization or customer facilitation transactions in Junior Stock or Parity Stock in the ordinary course of its business, (D) purchases by a broker-dealer subsidiary of the Company of capital stock of the Company for resale pursuant to an offering by the Company of such capital stock underwritten by such broker-dealer subsidiary, (E) any redemption or repurchase of rights pursuant to any stockholders’ rights plan, (F) the acquisition by the Company or any of the Company Subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Company or any other Company Subsidiary), including as trustees or custodians, and (G) the exchange or conversion of Junior Stock for or into

other Junior Stock or of Parity Stock or trust preferred securities for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case set forth in this clause (G), solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock (clauses (C) and (F), collectively, the “*Permitted Repurchases*”). “*Share Dilution Amount*” means the increase in the number of diluted shares outstanding (determined in accordance with GAAP, and as measured from the date of the Company’s most recently filed Company Financial Statements prior to the Closing Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

(b) Until such time as the Investor ceases to own any Preferred Shares, the Company shall not repurchase any Preferred Shares from any holder thereof, whether by means of open market purchase, negotiated transaction, or otherwise, other than Permitted Repurchases, unless it offers to repurchase a ratable portion of the Preferred Shares then held by the Investor on the same terms and conditions.

(c) “*Junior Stock*” means Common Stock and any other class or series of stock of the Company the terms of which expressly provide that it ranks junior to the Preferred Shares as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company. “*Parity Stock*” means any class or series of stock of the Company the terms of which do not expressly provide that such class or series will rank senior or junior to the Preferred Shares as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

4.9 Repurchase of Investor Securities.

(a) Following the redemption in whole of the Preferred Shares held by the Investor or the Transfer by the Investor of all of the Preferred Shares to one or more third parties not affiliated with the Investor, the Company may repurchase, in whole or in part, at any time any other equity securities of the Company purchased by the Investor pursuant to this Agreement or the Warrant and then held by the Investor, upon notice given as provided in clause (b) below, at the Fair Market Value of the equity security.

(b) Notice of every repurchase of equity securities of the Company held by the Investor shall be given at the address and in the manner set forth for such party in Section 5.6. Each notice of repurchase given to the Investor shall state: (i) the number and type of securities to be repurchased, (ii) the Board of Director’s determination of Fair Market Value of such securities and (iii) the place or places where certificates representing such securities are to be surrendered for payment of the repurchase price. The repurchase of the securities specified in the notice shall occur as soon as practicable following the determination of the Fair Market Value of the securities.

(c) As used in this Section 4.9, the following terms shall have the following respective meanings:

(i) “*Appraisal Procedure*” means a procedure whereby two independent appraisers, one chosen by the Company and one by the Investor, shall mutually agree upon the Fair Market Value. Each party shall deliver a notice to the other appointing its appraiser within 10 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the Fair Market Value, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Investor; otherwise, the average of all three determinations shall be binding upon the Company and the Investor. The costs of conducting any Appraisal Procedure shall be borne by the Company.

(ii) “*Fair Market Value*” means, with respect to any security, the fair market value of such security as determined by the Board of Directors, acting in good faith in reliance on an opinion of a nationally recognized independent investment banking firm retained by the Company for this purpose and certified in a resolution to the Investor. If the Investor does not agree with the Board of Director’s determination, it may object in writing within 10 days of receipt of the Board of Director’s determination. In the event of such an objection, an authorized representative of the Investor and the chief executive officer of the Company shall promptly meet to resolve the objection and to agree upon the Fair Market Value. If the chief executive officer and the authorized representative are unable to agree on the Fair Market Value during the 10-day period following the delivery of the Investor’s objection, the Appraisal Procedure may be invoked by either party to determine the Fair Market Value by delivery of a written notification thereof not later than the 30th day after delivery of the Investor’s objection.

4.10 Executive Compensation. Until such time as the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, the Company shall take all necessary action to ensure that its Benefit Plans with respect to its Senior Executive Officers comply in all respects with Section 111(b) of the EESA as implemented by any guidance or regulation thereunder that has been issued and is in effect as of the Closing Date, and shall not adopt any new Benefit Plan with respect to its Senior Executive Officers that does not comply therewith. “*Senior Executive Officers*” means the Company’s “senior executive officers” as defined in subsection 111(b)(3) of the EESA and regulations issued thereunder, including the rules set forth in 31 C.F.R. Part 30.

5.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by either the Investor or the Company if the Closing shall not have occurred by the 30th calendar day following the Signing Date; *provided, however*, that in the event the Closing has not occurred by such 30th calendar day, the parties will consult in good faith to determine whether to extend the term of this Agreement, it being understood that the parties shall be required to consult only until the fifth day after such 30th calendar day and not be under any obligation to extend the term of this Agreement thereafter; *provided, further*, that the right to terminate this Agreement under this Section 5.1(a) shall not be available to any party whose breach of any representation or warranty or failure to perform any obligation under this Agreement shall have caused or resulted in the failure of the Closing to occur on or prior to such date; or

(b) by either the Investor or the Company in the event that any Governmental Entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; or

(c) by the mutual written consent of the Investor and the Company.

In the event of termination of this Agreement as provided in this Section 5.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

5.2 Survival of Representations and Warranties. All covenants and agreements, other than those which by their terms apply in whole or in part after the Closing, shall terminate as of the Closing. The representations and warranties of the Company made herein or in any certificates delivered in connection with the Closing shall survive the Closing without limitation.

5.3 Amendment. No amendment of any provision of this Agreement will be effective unless made in writing and signed by an officer or a duly authorized representative of each party; *provided* that the Investor may unilaterally amend any provision of this Agreement to the extent required to comply with any changes after the Signing Date in applicable federal statutes. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative of any rights or remedies provided by law.

5.4 Waiver of Conditions. The conditions to each party's obligation to consummate the Purchase are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law. No waiver will be effective unless it is in a

writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver.

5.5 **Governing Law: Submission to Jurisdiction, Etc.** This Agreement will be governed by and construed in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the parties hereto agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia and the United States Court of Federal Claims for any and all civil actions, suits or proceedings arising out of or relating to this Agreement or the Warrant or the transactions contemplated hereby or thereby, and (b) that notice may be served upon (i) the Company at the address and in the manner set forth for notices to the Company in Section 5.6 and (ii) the Investor in accordance with federal law. To the extent permitted by applicable law, each of the parties hereto hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to this Agreement or the Warrant or the transactions contemplated hereby or thereby.

5.6 **Notices.** Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices to the Company shall be delivered as set forth in Schedule A, or pursuant to such other instruction as may be designated in writing by the Company to the Investor. All notices to the Investor shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the Investor to the Company.

[CENTRAL JERSEY BANCORP LETTERHEAD]

December 19, 2008

James S. Vaccaro
Central Jersey Bancorp
1903 Highway 35
Oakhurst, New Jersey 07755

Dear Mr. Vaccaro:

As you know, Central Jersey Bancorp (the “Company”) anticipates entering into a Securities Purchase Agreement (the “Participation Agreement”) with the United States Department of Treasury (“Treasury”) that provides, among other things, for the Company’s participation in the Treasury’s TARP Capital Purchase Program (“CPP”). In the event that the Company does not participate or ceases at any time to participate in the CPP, this letter agreement shall be of no further force or effect.

In order for the Company to participate in the CPP and as a condition to the closing of the investment contemplated by the Participation Agreement, the Company is required to establish specified standards for incentive compensation to its senior executive officers and to make changes to its compensation arrangements. To comply with these requirements, and in consideration of the benefits that you will receive as a result of the Company’s participation in the CPP, you hereby agree as follows:

1. No Golden Parachute Payments. No golden parachute payments will be made by the Company to you during any “CPP Covered Period.” A “CPP Covered Period” is any period during which (A) you are a senior executive officer of the Company, and (B) the Treasury holds an equity or debt position acquired from the Company in the CPP.
2. Recovery of Bonus and Incentive Compensation. Any bonus and/or incentive compensation paid to you during a CPP Covered Period is subject to recovery or “clawback” by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria.
3. Compensation Program Amendments. Each of the Company’s compensation, bonus, incentive and other benefit plans, arrangements and agreements (including, but not limited to, golden parachute, severance and employment agreements) (collectively, “Benefit Plans”) with respect to you is hereby amended (notwithstanding any contrary language within such Benefit Plans) to the extent necessary to give effect to provisions (1) and (2) above.

In addition, the Company is required to review its Benefit Plans to ensure that they do not encourage senior executive officers to take unnecessary and excessive risks that threaten the value of the Company. To the extent that any such review requires revisions to any Benefit Plan with respect to you, you and the Company agree to negotiate such changes promptly and in good faith.

4. Definitions and Interpretation. This letter agreement shall be interpreted as follows:

“Senior executive officer” means the Company’s “senior executive officers” as defined in Section 111(b)(3) of EESA.

“Golden parachute payment” has the same meaning as in Section 111(b)(2)(C) of EESA.

“EESA” means the Emergency Economic Stabilization Act of 2008 as implemented by guidance or regulation that has been issued by the Department of Treasury and is in effect as of the “Closing Date,” as defined in the Participation Agreement.

The term “Company” includes any entities treated as a single employer with the Company under 31 C.F.R. § 30.1(b) (as in effect on the Closing Date). You are also delivering a waiver pursuant to the Participation Agreement, and, as between the Company and you, the term “employer” in that waiver will be deemed to mean the Company as used in this letter agreement.

The term “CPP Covered Period” shall be limited by, and interpreted in a manner consistent with, 31 C.F.R. § 30.11 (as in effect on the Closing Date).

Provisions (1) and (2) of this letter agreement are intended to, and will be interpreted, administered and construed to comply with Section 111 of EESA and, to the maximum extent consistent with the preceding, to permit operation of the Benefit Plans in accordance with their terms before giving effect to this letter agreement.

5. Miscellaneous. To the extent not subject to federal law, this letter agreement will be governed by the laws of the State of New Jersey, without giving effect to the conflicts of laws provisions thereof. This letter agreement may be executed in two or more counterparts, each of which shall be deemed to be an original. A signature transmitted by facsimile will be deemed to be an original signature.

Please indicate your acceptance and agreement to the terms and conditions set forth in this letter agreement by countersigning same and returning a copy to the Company. The Board of Directors of the Company appreciates the concessions you are making and looks forward to your continued leadership.

Very truly yours,

Central Jersey Bancorp

Dear Mr. Vuono:

As you know, Central Jersey Bancorp (the “Company”) anticipates entering into a Securities Purchase Agreement (the “Participation Agreement”) with the United States Department of Treasury (“Treasury”) that provides, among other things, for the Company’s participation in the Treasury’s TARP Capital Purchase Program (“CPP”). In the event that the Company does not participate or ceases at any time to participate in the CPP, this letter agreement shall be of no further force or effect.

In order for the Company to participate in the CPP and as a condition to the closing of the investment contemplated by the Participation Agreement, the Company is required to establish specified standards for incentive compensation to its senior executive officers and to make changes to its compensation arrangements. To comply with these requirements, and in consideration of the benefits that you will receive as a result of the Company’s participation in the CPP, you hereby agree as follows:

1. No Golden Parachute Payments. No golden parachute payments will be made by the Company to you during any “CPP Covered Period.” A “CPP Covered Period” is any period during which (A) you are a senior executive officer of the Company, and (B) the Treasury holds an equity or debt position acquired from the Company in the CPP.
2. Recovery of Bonus and Incentive Compensation. Any bonus and/or incentive compensation paid to you during a CPP Covered Period is subject to recovery or “clawback” by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria.
3. Compensation Program Amendments. Each of the Company’s compensation, bonus, incentive and other benefit plans, arrangements and agreements (including, but not limited to, golden parachute, severance and employment agreements) (collectively, “Benefit Plans”) with respect to you is hereby amended (notwithstanding any contrary language within such Benefit Plans) to the extent necessary to give effect to provisions (1) and (2) above.

In addition, the Company is required to review its Benefit Plans to ensure that they do not encourage senior executive officers to take unnecessary and excessive risks that threaten the value of the Company. To the extent that any such review requires revisions to any Benefit Plan with respect to you, you and the Company agree to negotiate such changes promptly and in good faith.

4. Definitions and Interpretation. This letter agreement shall be interpreted as follows:

“Senior executive officer” means the Company’s “senior executive officers” as defined in Section 111(b)(3) of EESA.

“Golden parachute payment” has the same meaning as in Section 111(b)(2)(C) of EESA.

“EESA” means the Emergency Economic Stabilization Act of 2008 as implemented by guidance or regulation that has been issued by the Department of Treasury and is in effect as of the “Closing Date,” as defined in the Participation Agreement.

The term “Company” includes any entities treated as a single employer with the Company under 31 C.F.R. § 30.1(b) (as in effect on the Closing Date). You are also delivering a waiver pursuant to the Participation Agreement, and, as between the Company and you, the term “employer” in that waiver will be deemed to mean the Company as used in this letter agreement.

[CENTRAL JERSEY BANCORP LETTERHEAD]

December 19, 2008

Anthony Giordano, III
Central Jersey Bancorp
1903 Highway 35
Oakhurst, New Jersey 07755

Dear Mr. Giordano:

As you know, Central Jersey Bancorp (the “Company”) anticipates entering into a Securities Purchase Agreement (the “Participation Agreement”) with the United States Department of Treasury (“Treasury”) that provides, among other things, for the Company’s participation in the Treasury’s TARP Capital Purchase Program (“CPP”). In the event that the Company does not participate or ceases at any time to participate in the CPP, this letter agreement shall be of no further force or effect.

In order for the Company to participate in the CPP and as a condition to the closing of the investment contemplated by the Participation Agreement, the Company is required to establish specified standards for incentive compensation to its senior executive officers and to make changes to its compensation arrangements. To comply with these requirements, and in consideration of the benefits that you will receive as a result of the Company’s participation in the CPP, you hereby agree as follows:

1. No Golden Parachute Payments. No golden parachute payments will be made by the Company to you during any “CPP Covered Period.” A “CPP Covered Period” is any period during which (A) you are a senior executive officer of the Company, and (B) the Treasury holds an equity or debt position acquired from the Company in the CPP.
2. Recovery of Bonus and Incentive Compensation. Any bonus and/or incentive compensation paid to you during a CPP Covered Period is subject to recovery or “clawback” by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria.
3. Compensation Program Amendments. Each of the Company’s compensation, bonus, incentive and other benefit plans, arrangements and agreements (including, but not limited to, golden parachute, severance and employment agreements) (collectively, “Benefit Plans”) with respect to you is hereby amended (notwithstanding any contrary language within such Benefit Plans) to the extent necessary to give effect to provisions (1) and (2) above.

In addition, the Company is required to review its Benefit Plans to ensure that they do not encourage senior executive officers to take unnecessary and excessive risks that threaten the value of the Company. To the extent that any such review requires revisions to any Benefit Plan with respect to you, you and the Company agree to negotiate such changes promptly and in good faith.

4. Definitions and Interpretation. This letter agreement shall be interpreted as follows:

“Senior executive officer” means the Company’s “senior executive officers” as defined in Section 111(b)(3) of EESA.

“Golden parachute payment” has the same meaning as in Section 111(b)(2)(C) of EESA.

“EESA” means the Emergency Economic Stabilization Act of 2008 as implemented by guidance or regulation that has been issued by the Department of Treasury and is in effect as of the “Closing Date,” as defined in the Participation Agreement.

The term “Company” includes any entities treated as a single employer with the Company under 31 C.F.R. § 30.1(b) (as in effect on the Closing Date). You are also delivering a waiver pursuant to the Participation Agreement, and, as between the Company and you, the term “employer” in that waiver will be deemed to mean the Company as used in this letter agreement.

The term “CPP Covered Period” shall be limited by, and interpreted in a manner consistent with, 31 C.F.R. § 30.11 (as in effect on the Closing Date).

Provisions (1) and (2) of this letter agreement are intended to, and will be interpreted, administered and construed to comply with Section 111 of EESA and, to the maximum extent consistent with the preceding, to permit operation of the Benefit Plans in accordance with their terms before giving effect to this letter agreement.

5. Miscellaneous. To the extent not subject to federal law, this letter agreement will be governed by the laws of the State of New Jersey, without giving effect to the conflicts of laws provisions thereof. This letter agreement may be executed in two or more counterparts, each of which shall be deemed to be an original. A signature transmitted by facsimile will be deemed to be an original signature.

Please indicate your acceptance and agreement to the terms and conditions set forth in this letter agreement by countersigning same and returning a copy to the Company. The Board of Directors of the Company appreciates the concessions you are making and looks forward to your continued leadership.

Very truly yours,

Central Jersey Bancorp

**AMENDED AND RESTATED
CHANGE OF CONTROL AGREEMENT**

THIS AMENDED AND RESTATED CHANGE OF CONTROL AGREEMENT (this “Agreement”), dated as of the 23rd day of December, 2008, is by and between CENTRAL JERSEY BANCORP, a New Jersey corporation (the “Company” or “Bancorp”), and JAMES S. VACCARO (the “Executive”).

WHEREAS, the Board of Directors of the Company (the “Board”) recognizes that, as is the case with many publicly held companies, the possibility of a change of control exists and that such possibility, and the uncertainty and questions which it may raise among management, could result in the departure or distraction of management personnel to the detriment of the Company;

WHEREAS, the Board has determined that appropriate steps should be taken to reinforce and encourage the continued attention and dedication of members of the Company’s management, including the Executive, to their assigned duties without distraction in the face of the possibility of a change of control;

WHEREAS, the Company and the Executive previously entered into that certain Change of Control Agreement, dated as of August 1, 2006, as amended on February 21, 2007 (the “Original Agreement”), whereby the Company and the Executive memorialized the benefits to which the Executive shall be entitled in the event of a change of control; and

WHEREAS, in order to comply with applicable federal and states laws, including, but not limited to, the Internal Revenue Code of 1986, as amended, and the rules and regulations promulgated thereunder (collectively, the “Code”), the Company and the Executive desire to amend and restate the Original Agreement in its entirety as set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants, undertakings and representations contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Company and the Executive agree as follows:

1. **Term of Agreement.** This Agreement shall continue in full force and effect for so long as the Executive is employed by Bancorp and/or Central Jersey Bank, N.A., the bank subsidiary of Bancorp (the “Bank”); provided, however, that this Agreement shall continue in effect after the termination of the Executive’s employment, regardless of the reason, for such period as is necessary to effectuate the rights of the Executive and Bancorp hereunder and for the Executive and Bancorp to fulfill and observe their respective obligations set forth herein; provided, further, that if the Executive’s employment is terminated without Cause (as defined below) by Bancorp prior to a Change of Control Event (as defined below), the Executive shall be entitled to receive the full benefits under this Agreement if a Change of Control Event occurs within 12 months after the effective date of termination of the Executive’s employment. In other words, in the event the Executive’s employment is terminated without Cause, he will be entitled to receive the Severance (as defined below) provided for in Section 3(a) hereof in connection with a Change of Control Event which occurs within 12 months after such termination. In the event that the Executive is to receive Severance as provided for herein, the Severance shall be

payable in-full by the Company within 10 business days after the effective date of the Change of Control Event; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the Change of Control Event occurred.

2. Relationship of the Parties. The Executive shall serve, at the discretion of the Board, as the President and Chief Executive Officer of Bancorp and the Bank. This Agreement shall not constitute an employment agreement between the Company and the Executive and shall not guarantee the Executive's continued employment with Bancorp or the Bank.

3. Termination as a Result of a Change of Control Event.

(a) In the event that either (i) the Executive is terminated without Cause in connection with (A) a merger of Bancorp where Bancorp is not the surviving entity, (B) the acquisition of greater than 50% of Bancorp's voting stock by an entity or group of individuals other than the shareholders of Bancorp as of the Effective Date (or any individual or entity which receives from a current shareholder of Bancorp an interest in Bancorp through will or the laws of descent and distribution), (C) the sale or disposition of all or substantially all of Bancorp's assets, or (D) the determination (which may be made effective as of a particular date specified by the Board) by the Board that a change of control has occurred or is about to occur (each a "Change of Control Event"), or (ii) a Change of Control Event occurs and the Executive is not retained by the successor entity or group (the "Successor Entity") for a period of at least 36 months commencing on the effective date of the Change of Control Event pursuant to a written agreement (the "New Agreement") which provides that the Executive shall have (A) the same or substantially equal position with similar title and responsibilities and the same or greater salary, benefits (including, without limitation, health insurance for the Executive and his family, life insurance for the Executive, matching 401(k) contributions and automobile allowance, as applicable) and bonuses that the Executive was entitled to receive from the Company immediately prior to the Change of Control Event, and (B) a commuting distance that is not greater than 30 miles from the Executive's current residence, the Executive shall be entitled to Severance from the Company; provided, however, that the Executive shall only be entitled to such Severance if he agrees to remain as an employee of the Company and assist in the transition until the effective date of the Change of Control Event; provided, further, in no event shall a Change of Control Event be deemed to have occurred, with respect to the Executive, if the Executive is part of a purchasing group which consummates the transaction relating to the Change of Control Event. The Executive shall be deemed "part of the purchasing group" for purposes of the preceding sentence if the Executive is an equity participant or has agreed to become an equity participant in the purchasing company or group (except for (i) passive ownership of less than 5% of the voting securities of the purchasing company; or (ii) ownership of equity participation in the purchasing company or group which is otherwise deemed not to be significant, as determined prior to the Change of Control Event by a majority of the non-employee members of the Board). In the event that the Executive is to receive Severance as provided for herein, the Severance shall be payable in-full by the Company within 10 business days after the effective date of the Change of Control Event; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the Change of Control Event occurred.

In addition to the forgoing, in the event the Executive's employment is terminated without Cause in connection with any acquisition by Bancorp of any bank, bank holding company or other similar institution (the "Acquisition"), and the Acquisition does not constitute a Change of Control Event, the Executive shall nevertheless be entitled to receive Severance from the Company, which shall be payable in-full by the Company within 10 business days after the effective date of the termination of the Executive's employment without Cause; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the termination of employment occurred.

For purposes of this Agreement, "Severance" shall mean (i) an amount equal to the product of the Executive's monthly salary in effect at the time of the Change of Control Event or the Acquisition multiplied by 30, plus (ii) an amount equal to the product of (A) the quotient of the largest annual cash bonus payment made to the Executive for services provided in any of the three years ended on December 31 of the year preceding the year in which the Change of Control Event or the Acquisition occurs, divided by 12, multiplied by (B) 30, plus (iii) an amount equal to the product of the cash equivalent of the monthly benefits provided to the Executive at the time of the Change of Control Event or the Acquisition, as determined by the Board in good faith and its sole discretion, multiplied by 30. In addition, for purposes of this Agreement, "Cause" shall mean as follows: (i) the Executive willfully, or as a result of gross negligence on his part, fails substantially to (A) carry out the lawful policies of the Board or (B) discharge his duties and responsibilities as an executive of Bancorp and the Bank for any reason other than the Executive's disability, (ii) the Executive is convicted of or enters a plea of no contest with respect to a felony, (iii) the Executive engages in conduct which is demonstrably and substantially injurious to the Company (as determined in good faith by the Board), (iv) the Executive materially breaches this Agreement, or commits any deliberate and intentional violation of the provisions of Sections 4 and/or 5 of this Agreement, or (v) the Executive commits willful or intentional misconduct that has a material adverse effect on Bancorp or the Bank.

(b) In addition to the provisions set forth in Section 3(a) of this Agreement, the New Agreement also will provide that if the Executive accepts employment with the Successor Entity as of the effective date of the Change of Control Event and the Executive (i) is terminated by the Successor Entity without Cause during the 36 month period commencing on the effective date of the Change of Control Event, (ii) dies or becomes disabled (and such disability results in the termination of the Executive's employment), or (iii) voluntarily terminates his employment with the Successor Entity for any other reason or no reason on the 6 month anniversary of the effective date of the Change of Control Event (the "Six Month Anniversary Date"), the Executive shall be entitled to Severance from the Successor Entity. If the Executive's employment is terminated as provided in Section 3(b)(i) or 3(b)(ii), he shall receive Severance for the number of months equal to the remainder of 30 months less the number of whole months the Executive was employed by the Successor Entity following the 6 Month Anniversary Date; provided, however, that if the Executive's employment is terminated by the Successor Entity as provided in Section 3(b)(i) prior to the 6 Month Anniversary Date or he dies or becomes disabled (and such disability results in the termination of the Executive's employment) as provided in Section 3(b)(ii) prior to the 6 Month Anniversary Date, the Executive shall receive 30 months Severance; provided, further, that in the event the Executive is entitled to receive Severance as provided in Section 3(b)(i) or 3(b)(ii), the Executive shall not

receive less than 6 months Severance. In the event the Executive elects to terminate his employment with the Successor Entity on the Six Month Anniversary Date as provided in Section 3(b)(iii), he shall receive 30 months Severance. To calculate the Severance payable in accordance with this Section 3(b), the number 30 set forth in the definition of Severance in Section 3(a) of this Agreement shall be replaced with the number of months of Severance the Executive is entitled to receive as provided in this Section 3(b). Such Severance shall be payable in-full within 10 business days after the termination of the Executive's employment with the Successor Entity; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the termination of employment occurred. In addition, the New Agreement will contain the provisions set forth in Sections 4 through 17 of this Agreement; provided, however, that the provisions of Section 4(a) shall not be applicable to the Executive if his employment with the Successor Entity terminates after the end of the 36 month period which commences on the effective date of the Change of Control Event and, as a result, he is not entitled to any Severance in connection with such termination. For purposes of clarity, the Executive shall not be entitled to any Severance should his employment with the Successor Entity terminate for any reason after the expiration of the 36 month period commencing on the effective date of the Change of Control Event.

4. Covenant Not to Compete/Solicit. In consideration for the right to receive the Severance provided for herein, the Executive agrees as follows:

(a) During his employment with the Company and for a period of 6 months from the effective date of any termination of the Executive's employment by the Company for (A) Cause, or (B) without Cause, or (ii) by the Executive, the Executive shall not, directly or indirectly, commence employment with or render services to any other bank or banking institution within the State of New Jersey; provided, however, that if the Executive's employment is terminated by the Company without Cause, or the Executive voluntarily terminates his employment with the Company, and he is not entitled to any Severance with respect to any such termination, the provisions of this Section 4(a) shall not apply to the Executive.

(b) During his employment with the Company and for a period of 12 months from the effective date of any termination of the Executive's employment with the Company for any reason whatsoever, the Executive shall not recruit any employee of the Company or solicit or induce, attempt to solicit or induce, or assist in the solicitation or inducement of any employee of the Company to terminate his or her employment, or otherwise cease his or her relationship, with the Company, or solicit, divert or take away, or attempt to solicit, divert or take away, the business or patronage of any of the clients, customers or accounts of the Company that were served by the Company while the Executive was employed by the Company.

(c) The Executive acknowledges that the restrictions set forth in this Section 4 are reasonable and necessary for the protection of the business and good will of the Company.

5. Confidential Information and Materials. The Executive acknowledges that by reason of the Executive's employment with the Company, the Executive has and will hereafter, from time to time during his employment with the Company, become exposed to and/or become knowledgeable about proposals, plans, inventions, practices, systems, programs, subscriptions,

strategies, formulas, processes, methods, techniques, research, records, suppliers, sources, customer lists, billing information, any other form of business information and any trade secrets of every kind and character, whether or not they constitute a trade secret under applicable law, which are not known to the Company's competitors and which are kept secret and confidential by the Company (the "Confidential Information"). The Executive therefore agrees that at no time during or after his employment will he disclose or use the Confidential Information or materials to or with any person, firm, business, corporation, association, or other entity for any reason or purpose except as may be required in the prudent course of business for the sole benefit of the Company, or as may be required by a court order or by law.

6. Company Property. All correspondence, memoranda, notes, records, reports, plans, price lists, customer lists, financial statements, catalogs, computer programs, disks, tapes, other papers and other medium on or by which Confidential Information is stored, received or made by the Executive in connection with his employment by the Company shall be the property of the Company and shall be delivered to the Company upon the termination of his employment or at any other time upon request of the Company.

7. Equitable Remedies. The Company and the Executive acknowledge and confirm that the restrictions contained in Sections 4, 5 and 6 hereof are, in view of the nature of the business of the Company, reasonable and necessary to protect the legitimate interests of the Company and that any violation of any provisions of Sections 4, 5 and 6 will result in irreparable injury to the Company. Therefore, the Executive hereby agrees that in the event of any breach or threatened breach of the terms or conditions of this Agreement by the Executive, the Company's remedies at law will be inadequate and, in any such event, the Company shall be entitled to commence an action for preliminary and permanent injunctive relief and other equitable and monetary relief in any court of competent jurisdiction.

8. Excise Tax. In the event that the payments and other benefits provided for in this Agreement constitute "parachute payments" within the meaning of Section 280G of the Code and will be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then the Executive's severance benefits payable under the terms of this Agreement will be either (a) delivered in full, or (b) delivered as to such lesser extent which would result in no portion of such severance benefits being subject to the Excise Tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the Excise Tax, results in the receipt by the Executive, on an after-tax basis, of the greatest amount of severance benefits, notwithstanding that all or some portion of such severance benefits may be taxable under Section 4999 of the Code. Unless the Company and the Executive otherwise agree in writing, any determination required under this Section 8 will be made in writing by the Company's independent public accountants (the "Accountants"), whose determination will be conclusive and binding upon the Executive and the Company for all purposes. For purposes of making the calculations required by this Section 8, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Section 280G and 4999 of the Code. The Company and the Executive will furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this Section 8. The Company will bear all costs the Accountants may reasonably incur in connection with any calculations contemplated by this Section 8.

9. Costs. If litigation is brought to enforce or interpret any provision contained herein, the court shall award reasonable attorneys' fees and disbursements to the prevailing party as determined by the court.

10. Severability. If any provision of this Agreement or application thereof to any person or circumstance is adjudicated to be invalid or unenforceable in a jurisdiction, such invalidity or unenforceability shall not affect any other provision or application of this Agreement, which can be given effect without the invalid or unenforceable provision or application and shall not invalidate or render unenforceable such provision or application in any other jurisdiction.

11. Entire Agreement, Amendments. This Agreement contains the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings, oral or written, with respect to the subject matter hereof. This Agreement may not be changed, amended or modified orally, but may change only by an agreement in writing signed by the party against whom any waiver, change, amendment, modification or discharge may be sought.

12. Binding Agreement. This Agreement shall be binding upon and inure to the benefit of all executors, administrators, heirs, successors and assigns of the parties; provided, however, that this Agreement shall not be assignable by the Executive and shall terminate upon the death of the Executive.

13. Governing Law, Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey without application of its conflict of laws rules. The Executive hereby submits to the exclusive jurisdiction and venue of the courts of the State of New Jersey or the United States District Court for the District of New Jersey for purposes of any legal action.

14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same agreement.

15. Notices. All notices required or permitted hereunder shall be in writing and shall be sent by overnight courier or certified or registered mail, return receipt requested, postage prepaid, as follows:

If to the Company:	Central Jersey Bancorp 1903 Highway 35 Oakhurst, New Jersey 07755 Attn.: Secretary
If to the Executive:	James S. Vaccaro 613 North Edgemere Drive West Allenhurst, New Jersey 07711

Notices may be sent to such other address as either party may designate in a written notice served upon the other party in the manner provided herein. All notices required or permitted hereunder shall be deemed duly given and received on the next business day, if delivery is by overnight courier, or the second day next succeeding the date of mailing, if delivery is by mail.

16. Headings. The section headings herein are for convenience only and shall not affect the interpretation or construction of this Agreement.

17. Waiver. The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

18. Further Assurances. Each party shall cooperate with and take such action as may be reasonably requested by the other party in order to carry out the provisions and purposes of this Agreement.

**AMENDED AND RESTATED
CHANGE OF CONTROL AGREEMENT**

THIS AMENDED AND RESTATED CHANGE OF CONTROL AGREEMENT (this “Agreement”), dated as of the 23rd day of December, 2008, is by and between CENTRAL JERSEY BANCORP, a New Jersey corporation (the “Company” or “Bancorp”), and ROBERT S. VUONO (the “Executive”).

WHEREAS, the Board of Directors of the Company (the “Board”) recognizes that, as is the case with many publicly held companies, the possibility of a change of control exists and that such possibility, and the uncertainty and questions which it may raise among management, could result in the departure or distraction of management personnel to the detriment of the Company;

WHEREAS, the Board has determined that appropriate steps should be taken to reinforce and encourage the continued attention and dedication of members of the Company’s management, including the Executive, to their assigned duties without distraction in the face of the possibility of a change of control;

WHEREAS, the Company and the Executive previously entered into that certain Change of Control Agreement, dated as of January 1, 2005, as amended on February 21, 2007 (the “Prior Agreement”), whereby the Company and the Executive memorialized the benefits to which the Executive shall be entitled in the event of a change of control; and

WHEREAS, in order to comply with applicable federal and states laws, including, but not limited to, the Internal Revenue Code of 1986, as amended, and the rules and regulations promulgated thereunder (collectively, the “Code”), the Company and the Executive desire to amend and restate the Prior Agreement in its entirety as set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants, undertakings and representations contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Company and the Executive agree as follows:

1. **Term of Agreement.** This Agreement shall continue in full force and effect for so long as the Executive is employed by Bancorp and/or Central Jersey Bank, N.A., the bank subsidiary of Bancorp (the “Bank”); provided, however, that this Agreement shall continue in effect after the termination of the Executive’s employment, regardless of the reason, for such period as is necessary to effectuate the rights of the Executive and Bancorp hereunder and for the Executive and Bancorp to fulfill and observe their respective obligations set forth herein; provided, further, that if the Executive’s employment is terminated without Cause (as defined below) by Bancorp prior to a Change of Control Event (as defined below), the Executive shall be entitled to receive the full benefits under this Agreement if a Change of Control Event occurs within 12 months after the effective date of termination of the Executive’s employment. In other words, in the event the Executive’s employment is terminated without Cause, he will be entitled to receive the Severance (as defined below) provided for in Section 3(a) hereof in connection with a Change of Control Event which occurs within 12 months after such termination. In the event that the Executive is to receive Severance as provided for herein, the Severance shall be

payable in-full by the Company within 10 business days after the effective date of the Change of Control Event; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the Change of Control Event occurred.

2. Relationship of the Parties. The Executive shall serve, at the discretion of the Board, as a Senior Executive Vice President and the Chief Operating Officer and Secretary of Bancorp and the Bank. This Agreement shall not constitute an employment agreement between the Company and the Executive and shall not guarantee the Executive’s continued employment with Bancorp or the Bank.

3. Termination as a Result of a Change of Control Event.

(a) In the event that either (i) the Executive is terminated without Cause in connection with (A) a merger of Bancorp where Bancorp is not the surviving entity, (B) the acquisition of greater than 50% of Bancorp’s voting stock by an entity or group of individuals other than the shareholders of Bancorp as of the Effective Date (or any individual or entity which receives from a current shareholder of Bancorp an interest in Bancorp through will or the laws of descent and distribution), (C) the sale or disposition of all or substantially all of Bancorp’s assets, or (D) the determination (which may be made effective as of a particular date specified by the Board) by the Board that a Change of Control has occurred or is about to occur (each a “Change of Control Event”), or (ii) a Change of Control Event occurs and the Executive is not retained by the successor entity or group (the “Successor Entity”) for a period of at least 36 months commencing on the effective date of the Change of Control Event pursuant to a written agreement (the “New Agreement”) which provides that the Executive shall have (A) the same or substantially equal position with similar title and responsibilities and the same or greater salary, benefits (including, without limitation, health insurance for the Executive and his family, life insurance for the Executive, matching 401(k) contributions and automobile allowance, as applicable) and bonuses that the Executive was entitled to receive from the Company immediately prior to the Change of Control Event, and (B) a commuting distance that is not greater than 30 miles from the Executive’s current residence, the Executive shall be entitled to Severance from the Company; provided, however, that the Executive shall only be entitled to such Severance if he agrees to remain as an employee of the Company and assist in the transition until the effective date of the Change of Control Event; provided, further, in no event shall a Change of Control be deemed to have occurred, with respect to the Executive, if the Executive is part of a purchasing group which consummates the Change of Control transaction. The Executive shall be deemed “part of the purchasing group” for purposes of the preceding sentence if the Executive is an equity participant or has agreed to become an equity participant in the purchasing company or group (except for (i) passive ownership of less than 5% of the voting securities of the purchasing company; or (ii) ownership of equity participation in the purchasing company or group which is otherwise deemed not to be significant, as determined prior to the Change of Control by a majority of the non-employee members of the Board). In the event that the Executive is to receive Severance as provided for herein, the Severance shall be payable in-full by the Company within 10 business days after the effective date of the Change of Control Event; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the Change of Control Event occurred.

In addition to the forgoing, in the event the Executive's employment is terminated without Cause in connection with any acquisition by Bancorp of any bank, bank holding company or other similar institution (the "Acquisition"), and the Acquisition does not constitute a Change of Control Event, the Executive shall nevertheless be entitled to receive Severance from the Company, which shall be payable in-full by the Company within 10 business days after the effective date of the termination of the Executive's employment without Cause; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the termination of employment occurred.

For purposes of this Agreement, "Severance" shall mean (i) an amount equal to the product of the Executive's monthly salary in effect at the time of the Change of Control Event or the Acquisition multiplied by 30, plus (ii) an amount equal to the product of (A) the quotient of the largest annual cash bonus payment made to the Executive for services provided in any of the three years ended on December 31 of the year preceding the year in which the Change of Control Event or the Acquisition occurs, divided by 12, multiplied by (B) 30, plus (iii) an amount equal to the product of the cash equivalent of the monthly benefits provided to the Executive at the time of the Change of Control Event or the Acquisition, as determined by the Board in good faith and its sole discretion, multiplied by 30. In addition, for purposes of this Agreement, "Cause" shall mean as follows: (i) the Executive willfully, or as a result of gross negligence on his part, fails substantially to (A) carry out the lawful policies of the Board or (B) discharge his duties and responsibilities as an executive of Bancorp and the Bank for any reason other than the Executive's disability, (ii) the Executive is convicted of or enters a plea of no contest with respect to a felony, (iii) the Executive engages in conduct which is demonstrably and substantially injurious to the Company (as determined in good faith by the Board), (iv) the Executive materially breaches this Agreement, or commits any deliberate and intentional violation of the provisions of Sections 4 and/or 5 of this Agreement, or (v) the Executive commits willful or intentional misconduct that has a material adverse effect on Bancorp or the Bank.

(b) In addition to the provisions set forth in Section 3(a) of this Agreement, the New Agreement also will provide that if the Executive accepts employment with the Successor Entity as of the effective date of the Change of Control Event and the Executive (i) is terminated by the Successor Entity without Cause during the 36 month period commencing on the effective date of the Change of Control Event, (ii) dies or becomes disabled (and such disability results in the termination of the Executive's employment), or (iii) voluntarily terminates his employment with the Successor Entity for any other reason or no reason on the 6 month anniversary of the effective date of the Change of Control Event (the "Six Month Anniversary Date"), the Executive shall be entitled to Severance from the Successor Entity. If the Executive's employment is terminated as provided in Section 3(b)(i) or 3(b)(ii), he shall receive Severance for the number of months equal to the remainder of 30 months less the number of whole months the Executive was employed by the Successor Entity following the 6 Month Anniversary Date; provided, however, that if the Executive's employment is terminated by the Successor Entity as provided in Section 3(b)(i) prior to the 6 Month Anniversary Date or he dies or becomes disabled (and such disability results in the termination of the Executive's employment) as provided in Section 3(b)(ii) prior to the 6 Month Anniversary Date, the Executive shall receive 30 months Severance; provided, further, that in the event the Executive is entitled to receive Severance as provided in Section 3(b)(i) or 3(b)(ii), the Executive shall not

receive less than 6 months Severance. In the event the Executive elects to terminate his employment with the Successor Entity on the Six Month Anniversary Date as provided in Section 3(b)(iii), he shall receive 30 months Severance. To calculate the Severance payable in accordance with this Section 3(b), the number 30 set forth in the definition of Severance in Section 3(a) of this Agreement shall be replaced with the number of months of Severance the Executive is entitled to receive as provided in this Section 3(b). Such Severance shall be payable in-full within 10 business days after the termination of the Executive's employment with the Successor Entity; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the termination of employment occurred. In addition, the New Agreement will contain the provisions set forth in Sections 4 through 17 of this Agreement; provided, however, that the provisions of Section 4(a) shall not be applicable to the Executive if his employment with the Successor Entity terminates after the end of the 36 month period which commences on the effective date of the Change of Control Event and, as a result, he is not entitled to any Severance in connection with such termination. For purposes of clarity, the Executive shall not be entitled to any Severance should his employment with the Successor Entity terminate for any reason after the expiration of the 36 month period commencing on the effective date of the Change of Control Event.

4. Covenant Not to Compete/Solicit. In consideration for the right to receive the Severance provided for herein, the Executive agrees as follows:

(a) During his employment with the Company and for a period of 6 months from the effective date of any termination of the Executive's employment by the Company for (A) Cause, or (B) without Cause, or (ii) by the Executive, the Executive shall not, directly or indirectly, commence employment with or render services to any other bank or banking institution within the State of New Jersey; provided, however, that if the Executive's employment is terminated by the Company without Cause, or the Executive voluntarily terminates his employment with the Company, and he is not entitled to any Severance with respect to any such termination, the provisions of this Section 4(a) shall not apply to the Executive.

(b) During his employment with the Company and for a period of 12 months from the effective date of any termination of the Executive's employment with the Company for any reason whatsoever, the Executive shall not recruit any employee of the Company or solicit or induce, attempt to solicit or induce, or assist in the solicitation or inducement of any employee of the Company to terminate his or her employment, or otherwise cease his or her relationship, with the Company, or solicit, divert or take away, or attempt to solicit, divert or take away, the business or patronage of any of the clients, customers or accounts of the Company that were served by the Company while the Executive was employed by the Company.

(c) The Executive acknowledges that the restrictions set forth in this Section 4 are reasonable and necessary for the protection of the business and good will of the Company.

5. Confidential Information and Materials. The Executive acknowledges that by reason of the Executive's employment with the Company, the Executive has and will hereafter, from time to time during his employment with the Company, become exposed to and/or become knowledgeable about proposals, plans, inventions, practices, systems, programs, subscriptions,

strategies, formulas, processes, methods, techniques, research, records, suppliers, sources, customer lists, billing information, any other form of business information and any trade secrets of every kind and character, whether or not they constitute a trade secret under applicable law, which are not known to the Company's competitors and which are kept secret and confidential by the Company (the "Confidential Information"). The Executive therefore agrees that at no time during or after his employment will he disclose or use the Confidential Information or materials to or with any person, firm, business, corporation, association, or other entity for any reason or purpose except as may be required in the prudent course of business for the sole benefit of the Company, or as may be required by a court order or by law.

6. Company Property. All correspondence, memoranda, notes, records, reports, plans, price lists, customer lists, financial statements, catalogs, computer programs, disks, tapes, other papers and other medium on or by which Confidential Information is stored, received or made by the Executive in connection with his employment by the Company shall be the property of the Company and shall be delivered to the Company upon the termination of his employment or at any other time upon request of the Company.

7. Equitable Remedies. The Company and the Executive acknowledge and confirm that the restrictions contained in Sections 4, 5 and 6 hereof are, in view of the nature of the business of the Company, reasonable and necessary to protect the legitimate interests of the Company and that any violation of any provisions of Sections 4, 5 and 6 will result in irreparable injury to the Company. Therefore, the Executive hereby agrees that in the event of any breach or threatened breach of the terms or conditions of this Agreement by the Executive, the Company's remedies at law will be inadequate and, in any such event, the Company shall be entitled to commence an action for preliminary and permanent injunctive relief and other equitable and monetary relief in any court of competent jurisdiction.

8. Excise Tax. In the event that the payments and other benefits provided for in this Agreement constitute "parachute payments" within the meaning of Section 280G of the Code and will be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then the Executive's severance benefits payable under the terms of this Agreement will be either (a) delivered in full, or (b) delivered as to such lesser extent which would result in no portion of such severance benefits being subject to the Excise Tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the Excise Tax, results in the receipt by the Executive, on an after-tax basis, of the greatest amount of severance benefits, notwithstanding that all or some portion of such severance benefits may be taxable under Section 4999 of the Code. Unless the Company and the Executive otherwise agree in writing, any determination required under this Section 8 will be made in writing by the Company's independent public accountants (the "Accountants"), whose determination will be conclusive and binding upon the Executive and the Company for all purposes. For purposes of making the calculations required by this Section 8, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Section 280G and 4999 of the Code. The Company and the Executive will furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this Section 8. The Company will bear all costs the Accountants may reasonably incur in connection with any calculations contemplated by this Section 8.

9. Costs. If litigation is brought to enforce or interpret any provision contained herein, the court shall award reasonable attorneys' fees and disbursements to the prevailing party as determined by the court.

10. **Severability.** If any provision of this Agreement or application thereof to any person or circumstance is adjudicated to be invalid or unenforceable in a jurisdiction, such invalidity or unenforceability shall not affect any other provision or application of this Agreement, which can be given effect without the invalid or unenforceable provision or application and shall not invalidate or render unenforceable such provision or application in any other jurisdiction.

11. Entire Agreement, Amendments. This Agreement contains the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings, oral or written, with respect to the subject matter hereof, including the Prior Change of Control Agreement. This Agreement may not be changed, amended or modified orally, but may change only by an agreement in writing signed by the party against whom any waiver, change, amendment, modification or discharge may be sought.

12. Binding Agreement. This Agreement shall be binding upon and inure to the benefit of all executors, administrators, heirs, successors and assigns of the parties; provided, however, that this Agreement shall not be assignable by the Executive and shall terminate upon the death of the Executive.

13. Governing Law, Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey without application of its conflict of laws rules. The Executive hereby submits to the exclusive jurisdiction and venue of the courts of the State of New Jersey or the United States District Court for the District of New Jersey for purposes of any legal action.

14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same agreement.

15. Notices. All notices required or permitted hereunder shall be in writing and shall be sent by overnight courier or certified or registered mail, return receipt requested, postage prepaid, as follows:

All notices required or permitted hereunder shall be deemed duly given and received on the next business day, if delivery is by overnight courier, or the second day next succeeding the date of mailing, if delivery is by mail.

16. Headings. The section headings herein are for convenience only and shall not affect the interpretation or construction of this Agreement.
17. Waiver. The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party’s right to subsequently enforce and compel strict compliance with every provision of this Agreement.
18. Further Assurances. Each party shall cooperate with and take such action as may be reasonably requested by the other party in order to carry out the provisions and purposes of this Agreement.

**AMENDED AND RESTATED
CHANGE OF CONTROL AGREEMENT**

THIS AMENDED AND RESTATED CHANGE OF CONTROL AGREEMENT (this “Agreement”), dated as of the 23rd day of December, 2008, is by and between CENTRAL JERSEY BANCORP, a New Jersey corporation (the “Company” or “Bancorp”), and ANTHONY GIORDANO, III (the “Executive”).

WHEREAS, the Board of Directors of the Company (the “Board”) recognizes that, as is the case with many publicly held companies, the possibility of a change of control exists and that such possibility, and the uncertainty and questions which it may raise among management, could result in the departure or distraction of management personnel to the detriment of the Company;

WHEREAS, the Board has determined that appropriate steps should be taken to reinforce and encourage the continued attention and dedication of members of the Company’s management, including the Executive, to their assigned duties without distraction in the face of the possibility of a change of control;

WHEREAS, the Company and the Executive previously entered into that certain Change of Control Agreement, dated as of August 1, 2006, as amended on February 21, 2007 (the “Prior Agreement”), whereby the Company and the Executive memorialized the benefits to which the Executive shall be entitled in the event of a change of control; and

WHEREAS, in order to comply with applicable federal and states laws, including, but not limited to, the Internal Revenue Code of 1986, as amended, and the rules and regulations promulgated thereunder (collectively, the “Code”), the Company and the Executive desire to amend and restate the Prior Agreement in its entirety as set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants, undertakings and representations contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Company and the Executive agree as follows:

1. **Term of Agreement.** This Agreement shall continue in full force and effect for so long as the Executive is employed by Bancorp and/or Central Jersey Bank, N.A., the bank subsidiary of Bancorp (the “Bank”); provided, however, that this Agreement shall continue in effect after the termination of the Executive’s employment, regardless of the reason, for such period as is necessary to effectuate the rights of the Executive and Bancorp hereunder and for the Executive and Bancorp to fulfill and observe their respective obligations set forth herein; provided, further, that if the Executive’s employment is terminated without Cause (as defined below) by Bancorp prior to a Change of Control Event (as defined below), the Executive shall be entitled to receive the full benefits under this Agreement if a Change of Control Event occurs within 12 months after the effective date of termination of the Executive’s employment. In other words, in the event the Executive’s employment is terminated without Cause, he will be entitled to receive the Severance (as defined below) provided for in Section 3(a) hereof in connection with a Change of Control Event which occurs within 12 months after such termination. In the event that the Executive is to receive Severance as provided for herein, the Severance shall be

payable in-full by the Company within 10 business days after the effective date of the Change of Control Event; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the Change of Control Event occurred.

2. Relationship of the Parties. The Executive shall serve, at the discretion of the Board, as an Executive Vice President and the Chief Financial Officer, Treasurer and Assistant Secretary of Bancorp and the Bank. This Agreement shall not constitute an employment agreement between the Company and the Executive and shall not guarantee the Executive’s continued employment with Bancorp or the Bank.

3. Termination as a Result of a Change of Control Event.

(a) In the event that either (i) the Executive is terminated without Cause in connection with (A) a merger of Bancorp where Bancorp is not the surviving entity, (B) the acquisition of greater than 50% of Bancorp’s voting stock by an entity or group of individuals other than the shareholders of Bancorp as of the Effective Date (or any individual or entity which receives from a current shareholder of Bancorp an interest in Bancorp through will or the laws of descent and distribution), (C) the sale or disposition of all or substantially all of Bancorp’s assets, or (D) the determination (which may be made effective as of a particular date specified by the Board) by the Board that a change of control has occurred or is about to occur (each a “Change of Control Event”), or (ii) a Change of Control Event occurs and the Executive is not retained by the successor entity or group (the “Successor Entity”) for a period of at least 30 months commencing on the effective date of the Change of Control Event pursuant to a written agreement (the “New Agreement”) which provides that the Executive shall have (A) the same or substantially equal position with similar title and responsibilities and the same or greater salary, benefits (including, without limitation, health insurance for the Executive and his family, life insurance for the Executive, matching 401(k) contributions and automobile allowance, as applicable) and bonuses that the Executive was entitled to receive from the Company immediately prior to the Change of Control Event, and (B) a commuting distance that is not greater than 30 miles from the Executive’s current residence, the Executive shall be entitled to Severance from the Company; provided, however, that the Executive shall only be entitled to such Severance if he agrees to remain as an employee of the Company and assist in the transition until the effective date of the Change of Control Event; provided, further, in no event shall a Change of Control Event be deemed to have occurred, with respect to the Executive, if the Executive is part of a purchasing group which consummates the transaction relating to the Change of Control Event. The Executive shall be deemed “part of the purchasing group” for purposes of the preceding sentence if the Executive is an equity participant or has agreed to become an equity participant in the purchasing company or group (except for (i) passive ownership of less than 5% of the voting securities of the purchasing company; or (ii) ownership of equity participation in the purchasing company or group which is otherwise deemed not to be significant, as determined prior to the Change of Control Event by a majority of the non-employee members of the Board). In the event that the Executive is to receive Severance as provided for herein, the Severance shall be payable in-full by the Company within 10 business days after the effective date of the Change of Control Event; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the Change of Control Event occurred.

In addition to the forgoing, in the event the Executive's employment is terminated without Cause in connection with any acquisition by Bancorp of any bank, bank holding company or other similar institution (the "Acquisition"), and the Acquisition does not constitute a Change of Control Event, the Executive shall nevertheless be entitled to receive Severance from the Company, which shall be payable in-full by the Company within 10 business days after the effective date of the termination of the Executive's employment without Cause; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the termination of employment occurred.

For purposes of this Agreement, "Severance" shall mean (i) an amount equal to the product of the Executive's monthly salary in effect at the time of the Change of Control Event or the Acquisition multiplied by 24, plus (ii) an amount equal to the product of (A) the quotient of the largest annual cash bonus payment made to the Executive for services provided in any of the three years ended on December 31 of the year preceding the year in which the Change of Control Event or the Acquisition occurs, divided by 12, multiplied by (B) 24, plus (iii) an amount equal to the product of the cash equivalent of the monthly benefits provided to the Executive at the time of the Change of Control Event or the Acquisition, as determined by the Board in good faith and its sole discretion, multiplied by 24. In addition, for purposes of this Agreement, "Cause" shall mean as follows: (i) the Executive willfully, or as a result of gross negligence on his part, fails substantially to (A) carry out the lawful policies of the Board or (B) discharge his duties and responsibilities as an executive of Bancorp and the Bank for any reason other than the Executive's disability, (ii) the Executive is convicted of or enters a plea of no contest with respect to a felony, (iii) the Executive engages in conduct which is demonstrably and substantially injurious to the Company (as determined in good faith by the Board), (iv) the Executive materially breaches this Agreement, or commits any deliberate and intentional violation of the provisions of Sections 4 and/or 5 of this Agreement, or (v) the Executive commits willful or intentional misconduct that has a material adverse effect on Bancorp or the Bank.

(b) In addition to the provisions set forth in Section 3(a) of this Agreement, the New Agreement also will provide that if the Executive accepts employment with the Successor Entity as of the effective date of the Change of Control Event and the Executive (i) is terminated by the Successor Entity without Cause during the 30 month period commencing on the effective date of the Change of Control Event, (ii) dies or becomes disabled (and such disability results in the termination of the Executive's employment), or (iii) voluntarily terminates his employment with the Successor Entity for any other reason or no reason on the 6 month anniversary of the effective date of the Change of Control Event (the "Six Month Anniversary Date"), the Executive shall be entitled to Severance from the Successor Entity. If the Executive's employment is terminated as provided in Section 3(b)(i) or 3(b)(ii), he shall receive Severance for the number of months equal to the remainder of 24 months less the number of whole months the Executive was employed by the Successor Entity following the 6 Month Anniversary Date; provided, however, that if the Executive's employment is terminated by the Successor Entity as provided in Section 3(b)(i) prior to the 6 Month Anniversary Date or he dies or becomes disabled (and such disability results in the termination of the Executive's employment) as provided in Section 3(b)(ii) prior to the 6 Month Anniversary Date, the Executive shall receive 24 months Severance; provided, further, that in the event the Executive is entitled to receive Severance as provided in Section 3(b)(i) or 3(b)(ii), the Executive shall not

receive less than 6 months Severance. In the event the Executive elects to terminate his employment with the Successor Entity on the Six Month Anniversary Date as provided in Section 3(b)(iii), he shall receive 24 months Severance. To calculate the Severance payable in accordance with this Section 3(b), the number 24 set forth in the definition of Severance in Section 3(a) of this Agreement shall be replaced with the number of months of Severance the Executive is entitled to receive as provided in this Section 3(b). Such Severance shall be payable in-full within 10 business days after the termination of the Executive's employment with the Successor Entity; provided, however, that, notwithstanding the foregoing, all Severance shall be paid on or before December 31 of the calendar year in which the termination of employment occurred. In addition, the New Agreement will contain the provisions set forth in Sections 4 through 17 of this Agreement; provided, however, that the provisions of Section 4(a) shall not be applicable to the Executive if his employment with the Successor Entity terminates after the end of the 30 month period which commences on the effective date of the Change of Control Event and, as a result, he is not entitled to any Severance in connection with such termination. For purposes of clarity, the Executive shall not be entitled to any Severance should his employment with the Successor Entity terminate for any reason after the expiration of the 30 month period commencing on the effective date of the Change of Control Event.

4. Covenant Not to Compete/Solicit. In consideration for the right to receive the Severance provided for herein, the Executive agrees as follows:

(a) During his employment with the Company and for a period of 6 months from the effective date of any termination of the Executive's employment by the Company for (A) Cause, or (B) without Cause, or (ii) by the Executive, the Executive shall not, directly or indirectly, commence employment with or render services to any other bank or banking institution within the State of New Jersey; provided, however, that if the Executive's employment is terminated by the Company without Cause, or the Executive voluntarily terminates his employment with the Company, and he is not entitled to any Severance with respect to any such termination, the provisions of this Section 4(a) shall not apply to the Executive.

(b) During his employment with the Company and for a period of 12 months from the effective date of any termination of the Executive's employment with the Company for any reason whatsoever, the Executive shall not recruit any employee of the Company or solicit or induce, attempt to solicit or induce, or assist in the solicitation or inducement of any employee of the Company to terminate his or her employment, or otherwise cease his or her relationship, with the Company, or solicit, divert or take away, or attempt to solicit, divert or take away, the business or patronage of any of the clients, customers or accounts of the Company that were served by the Company while the Executive was employed by the Company.

(c) The Executive acknowledges that the restrictions set forth in this Section 4 are reasonable and necessary for the protection of the business and good will of the Company.

5. Confidential Information and Materials. The Executive acknowledges that by reason of the Executive's employment with the Company, the Executive has and will hereafter, from time to time during his employment with the Company, become exposed to and/or become knowledgeable about proposals, plans, inventions, practices, systems, programs, subscriptions,

strategies, formulas, processes, methods, techniques, research, records, suppliers, sources, customer lists, billing information, any other form of business information and any trade secrets of every kind and character, whether or not they constitute a trade secret under applicable law, which are not known to the Company's competitors and which are kept secret and confidential by the Company (the "Confidential Information"). The Executive therefore agrees that at no time during or after his employment will he disclose or use the Confidential Information or materials to or with any person, firm, business, corporation, association, or other entity for any reason or purpose except as may be required in the prudent course of business for the sole benefit of the Company, or as may be required by a court order or by law.

6. Company Property. All correspondence, memoranda, notes, records, reports, plans, price lists, customer lists, financial statements, catalogs, computer programs, disks, tapes, other papers and other medium on or by which Confidential Information is stored, received or made by the Executive in connection with his employment by the Company shall be the property of the Company and shall be delivered to the Company upon the termination of his employment or at any other time upon request of the Company.

7. Equitable Remedies. The Company and the Executive acknowledge and confirm that the restrictions contained in Sections 4, 5 and 6 hereof are, in view of the nature of the business of the Company, reasonable and necessary to protect the legitimate interests of the Company and that any violation of any provisions of Sections 4, 5 and 6 will result in irreparable injury to the Company. Therefore, the Executive hereby agrees that in the event of any breach or threatened breach of the terms or conditions of this Agreement by the Executive, the Company's remedies at law will be inadequate and, in any such event, the Company shall be entitled to commence an action for preliminary and permanent injunctive relief and other equitable and monetary relief in any court of competent jurisdiction.

8. Excise Tax. In the event that the payments and other benefits provided for in this Agreement constitute "parachute payments" within the meaning of Section 280G of the Code and will be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then the Executive's severance benefits payable under the terms of this Agreement will be either (a) delivered in full, or (b) delivered as to such lesser extent which would result in no portion of such severance benefits being subject to the Excise Tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the Excise Tax, results in the receipt by the Executive, on an after-tax basis, of the greatest amount of severance benefits, notwithstanding that all or some portion of such severance benefits may be taxable under Section 4999 of the Code. Unless the Company and the Executive otherwise agree in writing, any determination required under this Section 8 will be made in writing by the Company's independent public accountants (the "Accountants"), whose determination will be conclusive and binding upon the Executive and the Company for all purposes. For purposes of making the calculations required by this Section 8, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Section 280G and 4999 of the Code. The Company and the Executive will furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this Section 8. The Company will bear all costs the Accountants may reasonably incur in connection with any calculations contemplated by this Section 8.

9. Costs. If litigation is brought to enforce or interpret any provision contained herein, the court shall award reasonable attorneys' fees and disbursements to the prevailing party as determined by the court.

10. Severability. If any provision of this Agreement or application thereof to any person or circumstance is adjudicated to be invalid or unenforceable in a jurisdiction, such invalidity or unenforceability shall not affect any other provision or application of this Agreement, which can be given effect without the invalid or unenforceable provision or application and shall not invalidate or render unenforceable such provision or application in any other jurisdiction.

11. Entire Agreement, Amendments. This Agreement contains the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings, oral or written, with respect to the subject matter hereof. This Agreement may not be changed, amended or modified orally, but may change only by an agreement in writing signed by the party against whom any waiver, change, amendment, modification or discharge may be sought.

12. Binding Agreement. This Agreement shall be binding upon and inure to the benefit of all executors, administrators, heirs, successors and assigns of the parties; provided, however, that this Agreement shall not be assignable by the Executive and shall terminate upon the death of the Executive.

13. Governing Law, Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey without application of its conflict of laws rules. The Executive hereby submits to the exclusive jurisdiction and venue of the courts of the State of New Jersey or the United States District Court for the District of New Jersey for purposes of any legal action.

14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same agreement.
