Dear Chairman Obey and Ranking Member Lewis:

As the Committee begins to prepare the fiscal year 2009 Defense Appropriations bill, please consider the attached request. The funding is for the Brownout Situational Awareness Sensor program in fiscal year 2009. The entity to receive the funding for this project is Trex Enterprises Corp., 10455 Pacific Center Court, San Diego, CA 92121. The funding would be used for continued development and testing the Brownout Situational Awareness Sensor. *I certify that neither I nor my spouse has any financial interest in this project.*

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program named or will be named after a sitting Member of Congress; (2) is not intended for a "front" or "pass through" entity; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink, appearing to read "Duncan Hunter", with a long horizontal stroke extending to the right.
