Committee on Appropriations

The Honorable Jerry Lewis, Ranking Member  
Committee on Appropriations  
H-218, The Capitol  
Washington, D.C. 20515

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding in the FY10 Defense Appropriations bill, Army, Night Vision Advanced Technology account for the City of San Diego, CA. The entity to receive funding for this project is TREX Enterprises at 10455 Pacific Center Court, San Diego, CA 92121. It is my understanding that the funding would be used to further research and development of aircraft sensors that will assist pilots in brownout conditions while in flight. I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of my spouse or me.

I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request: (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

A handwritten signature in black ink, appearing to read "Duncan Hunter", written over a large, stylized "H" that spans across the signature line.
