The Honorable Mitch McConnell

Minority Leader

United States Senate

Washington, DC 20514

Dear Majority Leader Reid and Minority Leader McConnell,

The undersigned diverse group of business associations, hunger and development organizations, agricultural groups, environmental groups, budget hawks, grassroots groups and free marketers urge you to **support the McCain Amendment, No. 741**, to H.R. 2112, the Fiscal Year 2012 Agriculture Appropriations bill, which would protect taxpayers from being forced to pay for ethanol blender pumps and storage facilities. We believe that taxpayers should not foot the bill for ethanol infrastructure; instead, this cost should be borne on the fuel-providing (ethanol and oil) industries themselves. The House of Representatives voted by a tally of 283 to 128 this year to prevent USDA from using taxpayer funds to subsidize blender pumps.

Sincerely,
